When Tradition Meets Celebration My City Links, 2025-06-02 Raja A rich amalgamation of tradition celebration and family connect Festivals and traditions have a way of rekindling memories tucked away between the folds of life experiences accumulated over the years Nothing illustrates this better than Raja the annual agrarian festival that is celebrated with great enthusiasm across Odisha Our Cover Story looks at the family bonding and emotions that the festival has traditionally been associated with We also reach out to Odias in other parts of the country and the world to get a sense of what Raja means to them In CityZen we zero in on a startup that is using technology particularly AI to ensure that quality healthcare is available in the rural areas Founder Priyadarshi Mohapatra opens up about his organisation's guiding principles and operational model in addition to plans of expansion into more underserved regions As the world prepares to mark the Pride Month in June City Lights brings you conversations with persons who identify as being part of the LGBTQIA community capturing myriad hues of struggles hopes and aspirations Operation Sindoor India's fierce response to the dastardly Pahalgam terror attack by Pakistan-backed terrorists was marked by the use of armed drones for precision attacks Drones produced by a Bhubaneswar-based company played a key role when it came to terrain mapping and target identification Founder Boddhisatwa Sanghapriya tells us more about it in City Tech A fast-paced life particularly when it comes to working professionals in urban areas has led to a proliferation of quick delivery services for food and groceries as well as items of daily use Scratch beneath the surface however and one is exposed to the dark and troubled underbelly of these operations Read more about it in City Beat The run-up to Raja invariably sees excitement build up as the Odia film industry lines up new releases for an eager audience ScreenShots brings you the lowdown on what to expect during the festive season CityFlix reviews *Superboys of Malegaon* a movie that is as much about celebrating films as it is about saluting the indomitable spirit of those involved in making them It is in fact an inspiring if somewhat poignant take on life itself As our reviewer puts it It's about the courage to dream even if the dream is stitched together with tape wire and undying hope Elsewhere in the edition City Literature explores the work of Japanese playwright Toshikazu Kawaguchi while City Tales continues with the series on temple tanks in Bhubaneswar

The 90 Day No Equipment Workout Plan For Women Michael Russo, Rebekah Addams, 2020-09-24
Introducing The Minimalist Approach To Achieving A Trim Toned And Functionally Fit Body All From The Comfort Of Your Home WITHOUT Any Expensive Equipment. Are you a woman who struggles to find the time to get to the gym? Is your gym still closed due to COVID-19 restrictions? Do you feel completely overwhelmed when you walk into a gym not knowing where to start or what machines to use? The facts are that although gyms are a great recourse to improve your fitness and body, it is purely a luxury and many of those big machines you see are not necessary when it comes to burning fat and reshaping your body. And in the midst of a global pandemic, going to the gym may not be a possibility for you for many months, which is why more than ever you need a home workout routine to reach your fitness goals. The problem with a lot of workout programs is that they are often complicated and ask too much of its participants, sometimes requiring five to six hour long workouts per week. The problem first of all is it's not sustainable to keep up with leaving very little time for recovery, an important component in not only becoming fit, strong and lean, but also remaining injury free. Fitness is meant to enhance our lives, not take away from it, and spending countless hours working out following programs that quite frankly are suited more to professional athletes rather than everyday people like you and me. It's time to make fitness an enjoyable part of your life, not something you dread having to do everyday. Which is why we advocate a minimalist approach to reshaping your body, allowing you more time to show off your results instead of being a slave to your workouts. This workout program requires zero equipment, it can be performed anywhere, regardless of space, and by anyone, regardless of your current fitness level. It will take you from a complete beginner with no exercise experience all the way up to a fit, functionality strong woman ready to dominate life and inspire the people around you. No gym membership or home equipment needed, just your body and a chair will see you through to the best shape of your life. Here's a slither of what's inside: Busting Through The Myths Of The Fitness Industry Including 1. That
