**The Coming Prince** Robert Anderson, 2025-08-23 The vision of the seventy weeks is the keystone of prophetic Scripture Sir Robert Anderson First published in 1894 The Coming Prince by Sir Robert Anderson remains one of the most influential works of biblical prophecy ever written Anderson a distinguished scholar and Assistant Commissioner of the London Metropolitan Police combines historical research meticulous chronology and careful biblical exegesis to explore the prophetic timeline of Daniel s Seventy Weeks In this landmark study Anderson demonstrates how the prophecy of Daniel 9 points directly to the coming of Jesus Christ as the Messiah providing a foundation for Christian eschatology and the study of the end times His calculations rooted in both Scripture and history have been praised and debated for over a century establishing The Coming Prince as a classic in dispensational and prophetic interpretation For students of theology pastors biblical scholars and readers interested in Christian prophecy this volume offers both a historical artifact of nineteenth century biblical scholarship and a living resource for understanding the Bible s most studied prophetic texts

The Coming Prince Robert Anderson, 2007-04-01 He was one of the most popular lay preachers and Christian apologists of his day Sir Robert Anderson devoutly believed that the Bible was the inerrant word of God and in this popular 1881 book a companion to his Daniel in the Critics Den he mounts a defense of the prophetic Old Testament Book of Daniel an early example of apocalyptic philosophy in Christianity Students of

the Bible will appreciate this historically valuable attempt to set straight the many controversies surrounding Daniel regarding its authorship and even the date of its writing And anyone interested in the apocalyptic fervor of modern day fundamentalist Christianity will find this an instructive and enlightening read While at Scotland Yard Irish police official and religious scholar SIR ROBERT ANDERSON 1841 1918 helped investigate the Jack the Ripper murders but he is best remembered for his works of Bible study including *Forgotten Truths* and *The Silence of God*

**The Coming Prince** Robert Anderson, Sir, 2014-02-05 TO living men no time can be so solemn as the living present whatever its characteristics and that solemnity is immensely deepened in an age of progress unparalleled in the history of the world But the question arises whether these days of ours are momentous beyond comparison by reason of their being in the strictest sense the last Is the world s history about to close The sands of its destiny are they almost run out and is the crash of all things near at hand Earnest thinkers will not allow the wild utterances of alarmists or the vagaries of prophecy mongers to divert them from an inquiry at once so solemn and so reasonable It is only the infidel who doubts that there is a destined limit to the course of this present evil world That God will one day put forth His power to ensure the triumph of the good is in some sense a matter of course The mystery of revelation is not that He will do this but that He delays to do it Judged by the public facts around us He is an indifferent spectator of the unequal struggle between good and evil upon earth

**The Coming Prince: The Marvelous Prophecy of Daniel's Seventy Weeks Concerning the Antichrist** Sir Robert Anderson, 2018-08-28 Sir Robert Anderson s commentary on the Book of Daniel is his most famous and respected work of Biblical narrative This edition contains the author s notes his appendices and the chronological tables Anderson begins his investigation with a description of Daniel s era wherein the Jewish peoples were pit against the Egyptian Pharaoh and other adversaries The various prophetic visions and the sequence in which each occurred is established by Anderson whose methodical and thorough inspection of the scripture ensures that readers arrive at an excellent understanding of the subject As one of the first policeman to ever apply his profession s methods to the Bible Anderson takes us through the history of the scripture step by step The various parts of the Book of Daniel such as his vision by the River of Ulai is cross referenced with the New Testament

**Sir Robert Anderson The Thinking Man's Guide to the Bible** Gerald Shugart, 2019-02-26 Biblical insight by the real life Sherlock Holmes who solved the Jack the Ripper case Sir Robert Anderson KCB 29 May 1841 15 November 1918 was the Chief of the Criminal Investigation Department of Scotland Yard from 1888 to 1901 He was also an intelligence officer theologian and writer Author Gerald B Shugart presents an intriguing historical panorama of the Biblical studies and spiritual insight of Sir Robert Anderson the individual responsible for the investigation of the man known the world over as Jack the Ripper in Victorian era London Fully referenced Newly revised first printed edition previously only

available in eBook     **The Coming Prince** Robert Anderson,2024-01-04 First released in 1894 The Coming Prince by Sir Robert Anderson remains a revered literary work among students of biblical prophecy over a century later As a highly educated Scottish lawyer and investigator who rose to lead Scotland Yard s Criminal Investigation Department under Queen Victoria Anderson brought analytic rigor to his Christian writings This book represents his systematic study of the prophetic Book of Daniel in light of contemporary events and End Times theology The central figure in Anderson s eschatological exploration is the coming prince referenced in Daniel 9 26 27 a messianic figure whom Bible scholars have long associated with Jesus Christ Anderson performs an exacting literary and historical analysis of Daniel s text and links it to Persian Greek and Roman impacts on the land of Palestine across centuries He discusses attempts by Antiochus Epiphanes and later Roman leaders to fulfill key verses Ultimately Anderson demonstrates how these were partial at best with complete fulfillment awaiting Christ s Second Advent His chronological tracings align with dispensationalism though he warns against dogmatic date setting While avoiding sensationalism Anderson stresses the unprecedented progress of his era in transport communication scientific knowledge and globalization as paving the way for prophetic consummation Modern readers will appreciate Anderson s restrained and logical exegesis along with his big picture global perspective at the zenith of the British Empire The Coming Prince retains enduring value as a seminal work of history theology and apologetics It provides a thought provoking possibility that today s breaking news may be setting an ultimate end times drama into motion with a much anticipated coming prince poised just beyond the horizon in the prophecies of Daniel     **Then Shall That Wicked Be Revealed** Henry Gagne,2014-01-31 The book of Revelation is unlike any other book in scripture filled with symbols and apocalyptic language It has become a magnet for some and confusion for others while still others ignore it altogether There are many today who believe and hold that the book of Revelation is not about the future but rather the past fulfilled with the destruction of the Jewish Temple and city of Jerusalem in 70 A D by the Roman armies While many others hold that the book of Revelation is prophetic and was written for a future time beyond the judgment that fell on the Jewish nation in 70 A D and continues to be debated today between these two Christian camps the Preterists and Futurists It is vital that the people of God are given the truth about prophetic scripture Today it is a fact that false teachers are everywhere in the body of Christ and have all but snuffed out the light of Christ s prophetic truth We of the body of Christ cannot continue to sit on the sidelines and remain silent We must as good soldiers in Christ arise and go forth in battle to defeat our Lord s enemies wherever they may be found As soldiers of Christ we do this with the weapons at our disposal that God gave us the Sword of Christ the Sword of Truth the Holy Scriptures Many times the question has arisen What difference does it make Our response is a proper view of eschatology a study of end of the age times is important because God has revealed his truth to us and it is our responsibility to be diligent students in understanding that truth Disregarding or minimizing any part of it is poor stewardship It is never acceptable to say I could be wrong but I remain comfortable on my views and don t want to bother

with other views It is a fact today that someone has to be wrong and is teaching error And it certainly is not the Holy Spirit teaching those errors of scripture in the body of Christ Therefore if one view is correct the others are wrong The failure to study this issue and others forces us to hold one position or another that is one s doctrines as a matter of tradition rather than the Inspired Doctrine of Scripture While a lot of people go to church very few actually know the Bible and take Jesus Christ our Lord seriously Secular Christianity has been watered down especially in the area of God s Word and its meaning resulting in great division and confusion concerning many passages seen throughout scripture The New Testament authors did write about prophecy but a good percentage of their prophetic messages dealt with the immediate fate and future of national Israel Thus when they wrote prophetically they wrote primarily about Israel s last days i e end of OC age while writing prophecy about the early Church s end of the age to come for them as we read in Hebrews So Christ was once offered to bear the sins of many and unto them that look for him shall he appear a second time without sin unto salvation Heb 9 28 The last days are different from the end times The last days refer to the last days age of Old Covenant Israel as the body of Christ was being brought in during that 40 year transition period It was to be the last days for national Israel but not for the New Covenant Church its age had just begun because of God s Grace and the Blood of Jesus Christ our Lord brought about for the salvation of mankind In our day there have come many scoffers both inside and outside of the church saying that the return of Christ is many many years away and others doubt or even deny his coming at all At present to most in the world they do not appear to be threatened by the return of Christ despite the world s present condition in its moral standing with God Despite the war in Afghanistan and Iraq as well as the Israeli Palestinian conflict despite North Korea and Iran s nuclear stance a world economy in a near total collapse many in the secular media procla

**Daniel in the Preterists' Den** Thomas A. Howe,2008-06-01

In recent years there has been rise in popularity and visibility of the debate about the last things Preterists and Futurists have published books articles and even movies promoting their respective views This debate has elevated the interest of the Christian public in eschatological issues Along with the increased interest in eschatology there has been a rise in popularity of the Preterist view which holds that most or all of the prophecies about Christ s coming have already been fulfilled that the second coming took place in 70 AD Most of the discussion from those who espouse the Preterist view however revolves around certain passages in the New Testament and their treatment of Old Testament passages is sporadic and selective The importance of the book of Daniel in these discussions cannot be overstated However most commentaries on Daniel from a Futurist perspective have not dealt with the Preterists interpretations of the key prophetic passages There simply is no detailed commentary on the book of Daniel that addresses the Preterist interpretations of this important book This book is a commentary on the entire book of Daniel from a Futurist perspective that specifically addresses the Preterist interpretations of the key prophetic passages This is not a book that selects passages out of the context of the book and attempts to explain their prophetic significance Rather

this is a commentary on the entire book of Daniel that places these critical prophetic passages in their literary and historical context and then deals with the various interpretations of these passages as they fit into the context of the book as a whole

*The Chronos Ascent* Jeff Horton, [The Rise of the Antichrist](#) Lowell B. Hudson, 2018-11-13 Does the idea of Biblical Prophecy seem well laughingly absurd galactically improbable Good It s supposed to seem that way In fact for Biblical prophecy to work properly its readers have to be highly skeptical Biblical prophecy requires even promotes uber skepticism at times to evoke the intended response in its readers The credibility of its message that its words were authored by God gains increased potency as the highly improbable happens again and again When the absurdly improbable actually occurs over and over in documented historically verifiable situations our fundamental assumptions are challenged We are confronted with the possibility that on a truly foundational level everything we thought we knew may really be wrong or radically incomplete That s what Biblical prophecy is about on a macro level That s its big idea Biblical prophecies also seek to warn about particularly important slices of future history Not because that future can be changed but so it can be met with integrity and intact faith This book is obviously focused on those Biblical prophecies involving the Antichrist s rise to power By using careful time honored traditional methods of Biblical investigation we ll have a serious and sober look at what the Scriptures really say about this future world ruler There are also some new discoveries that many would find surprising even shocking Now that s a lot to swallow all at once That the future is knowable on some level and that it s going to be so horrible Why would anyone want to believe this could happen Deep down I don t want to believe it It s so much easier to reject it than to allow it to threaten your whole frame of reference That tug of war that vague unease that s supposed to happen too It s Biblical prophecy doing its thing It takes a lot of guts to consider ideas that have the power to explode your comfortable world view If you decide to read this book remember it s ok to be skeptical It s absolutely required for a healthy mind But resist the awful temptation to reject out of hand Aside from being an addictive and lazy habit it just may deprive you someday of knowing that wonderful excruciating panic of having your mind blown open **Dr. Hand's Mind On** Dr. Allen

Hand, 2022-12-30 Every once in a while I get a chance to listen to broadcasts on the radio or watch networking on television And the more and more I do this the more and more I get deeply concerned with the quality of so called religious material presented on such via comments discussions lectures preachings teachings etc Every so often I get led to deal with some of the monumental misunderstandings that menace the messianic ministry mission momentum motion motive and movement As these pessimistic provocational presentations prevent permeation of positive providential pressure on the profound populace s psyche patterns I constantly think about the repercussions they have on the spiritual psyche It is very unfortunate that we are letting our guards down and allowing this type of pessimistic provocational presentations to prevent the permeation of positive providential pressure on the profound populace s psyche patterns There are two strategies tactics ways to deal with this type of teaching and preaching one is defensive and the other is offensive The offensive tactic strategy way to guard

against it is to constantly teach and preach against it thereby exposing it for what it is and minimizing it if not eliminating it this is referred to as the sword of the Spirit which is the word of God the defensive tactic strategy way to guard against it is to block or prevent it from entering your mind by literally putting a spiritual device of some sort over your mind this is referred to as the helmet of salvation The Banner of Israel ,1895 *Daniel's Seventy Weeks, etc* William KELLY (of Guernsey.),1876 **The Coming Prince** ,1860 The Coming Prince, How Will You Receive Him?
