Commentaries On Living First Series:

Commentaries on Living Jiddu Krishnamurti, 1956-01-01 Krishnamurti's essential message is that to find truth we must go beyond the limits of ordinary thought. In public talks worldwide he strove to free listeners from conventional beliefs and psychological mind sets in order to understand what is. This 3 volume series records his meetings with individual seekers from all walks of life during which he comments on the struggles common to those who work to break the boundaries of personality and self limitation. In the first volume Krishnamurti discusses many topics including knowledge, belief, simplicity of the heart, love in relationship, ambition and clarity in action. **Commentaries on Living** Jiddu Krishnamurti, 1984

Commentaries on Living J Krishnamurti, 2025-06-04 J Krishnamurti 1895-1986 has been called an educator, a philosopher, a spiritual teacher, but in reality he cannot be limited to any of these descriptions. Speaking to millions of people in his lifetime, Krishnamurti adamantly rejected any role as authority, leader, or guru precisely because he saw that this was a major impediment in people finding truth for themselves. There is no path to truth. Truth must be discovered, but there is no formula for its discovery. What is formulated is not true. You must set out on the uncharted sea, and the uncharted sea is yourself. His iconoclastic message remains relevant to any person interested in understanding themselves and the world they live in. *Commentaries on Living* a three volume series records Krishnamurti's meetings with earnest individuals from all walks of life who came to him seeking answers to their questions. The breadth of Krishnamurti's teachings is revealed over the course of these compassionate and penetrating conversations. Several chapters are prefaced by Krishnamurti's inspired descriptions of his ever-changing surroundings, imparting a deep awareness of the moment and setting the tone for the discussion to follow. *On Learning and Knowledge* J. Krishnamurti, *On Freedom* Jiddu Krishnamurti, 1992 **A Wholly Different Way of Living** Jiddu Krishnamurti, Allan W. Anderson, 1991. In a time of unprecedented outer change in the political and social spheres, is there a fundamental inner challenge that faces each one of us? In these 18 dialogues, Krishnamurti indicates that pinning hopes on organized religion, science, political ideology, or the market economy not only fails to address basic human problems but actually creates them. Instead, he discusses with Professor Anderson the concept of a wholly different way of living. *things of the mind* Jiddu Krishnamurti, 1988-01-01 **Exploration Into Insight** Jiddu Krishnamurti, 1979. Discussions which raise central psychological and spiritual issues facing mankind. They should help to elucidate many points for those already familiar with the author's ideas. Others reading him for the first time may be struck by the clarity of his insights and their challenging message. **On Right Livelihood** Jiddu Krishnamurti, 2023-04-25. *On Right Livelihood* explores ways for us to be engaged in but not engulfed by our work. In a world frantic to produce, possess, and consume, few of us have time to wonder if our work damages the environment, if we are making the most of our talents, or simply making a living, if we truly savor our leisure time. Krishnamurti presents sage and eloquent teachings on these issues of vital concern to us all. Krishnamurti has said: Is it not necessary for each to know for oneself what is the right means of

livelihood If we are avaricious envious seeking power then our means of livelihood will correspond to our inward demands and so produce a world of competition ruthlessness oppression ultimately ending in war Letters to the Schools Jiddu Krishnamurti,1981 Most on the responsibilities of schools in the development of human personality and society

Krishnamurti talks about our quest for the sacred exploring the futility of pursuing knowledge of the unknowable He explains that only by relinquishing the pursuit with our intellects can we achieve true liberation enabling us to experience reality truth and bliss in their purest forms Krishnamurti presents the religious mind as one that directly apprehends the sacred rather than adhering to religious dogma According to Krishnamurti in order to discover God we must comprehend the process of thought the process of self discovery He dispels common misconceptions about God and religion paving the way for original thought In this transformative exploration readers are invited to embark on a journey toward genuine wisdom where the constraints of belief dissolve and the essence of reality and divinity is unveiled in all its raw splendour **American Book**
