## **Strategy Tools Comparison For Small Business Owners Without Experience:**

Strategies Used by Small Business Leaders to Obtain Government Contracts and Subcontracts Dr. Damian C.

Dunbar,2019-05-30 Small business leaders SBLs underutilize billions of dollars of US government funding for small business subcontracting The role of small business in the United States is important to local economies as well as a major contributor to the US economy Using the resource based view as the conceptual framework for this study the purpose of this qualitative multiple case study was to explore the strategies five government support sector SBLs in the mid Atlantic region used to obtain US government subcontract awards to remain sustainable The selection criteria for this study consisted of small businesses in the mid Atlantic region that have obtained subcontracts on prime government contracts The data collection process included a review of the small business documents and participants responses to semistructured interviews The data analysis process included case study analysis and cross case comparisons using methodological triangulation Based on the data analysis themes that emerged from the results of this study included education experience and networking related to strategy creation and implementation by the SBLs to obtain subcontracts on prime contracts The findings of this study may contribute to social change by providing SBLs an opportunity to learn strategies to obtain subcontracts which could increase organizational opportunities promote job creation and help to improve local economies through increases in tax revenues that could help the elderly children and others within the community

Strategies to Sustain Small Businesses Beyond 5 Years Dr. Kayaso Wani,2022-08-01 Starting a business might sound easy but sustaining it to be successful is challenging People are often afraid to start new businesses because at least everyone has known someone who started a business but failed or someone struggling to sustain a business Starting your own business and staying successful is the most exciting achievement This book Strategies to Sustain Small Businesses Beyond 5 Years is used worldwide to help aspiring or struggling business owners succeed The book is for anyone interested in doing business aEURC You might be a passionate creator starting your business out of love for what you do and believing that passion is a crucial quality of success running your business gives you a sense of accomplishment and pride aEURC You might be a freedom seeker starting your small business you value the ability to control your work experience and want to be in charge of your own schedules career path and work environment aEURC You might be a legacy builder starting a business to bring something new to the marketplace practical in your approach to business ownership aEURC You might be a struggling survivor profile representing the cold hard truth of business ownership aEURC You might be a Jack of all trades in your business spreading too thin from managing directive sales administrative duties to customer service This book is the path to success in your business Sometimes running a small business is more frightening than rewarding and the fear is real deeply rooted in you facing the challenges of ownership every day The motivation of a small business owner is as diverse as the business itself ItaEUR tm s very important to understand your category to know your strengths and weaknesses to adjust accordingly
