Winton,2007 Study of the Battle of the Bulge Command and Commanders in Modern Warfare Office of Air Force History,U.s. Air Force,2015-02-02 The general purpose of the symposium series is to provide a forum in which recognized scholars may present the results of their research in the history of military affairs This will hopefully enhance interest in the subject among both civilian and military historians while encouraging a continuing interest among members of the armed forces of the United States and the cadets of the United States Air Force Academy in the study of the history of their chosen profession A basic objective of the annual symposium series is to create a closer link between the academic historian and the military professional designed to achieve a fuller appreciation and better evaluation of past military events By including the views of the men who participated in past events the historical record should be enriched This book therefore contains not only the papers and commentaries read at the Second Annual Military Symposium but additional comments which the editor later solicited from military participants in the events described **Soldiers and Scholars** Carol Reardon,1990 The use and abuse of military history is the theme of this book The author scrutinizes the army s first systematic attempt to use military history to educate its future leaders and traces the army s struggle from the end of the Civil War to claim intellectual authority over the study of war *The Century Dictionary and Cyclopedia: The Century dictionary ... prepared under the superintendence of William Dwight Whitney ... rev. & enl. under the superintendence of Benjamin E.
