Dreams Dont Wait:

Dreams Don't Wait Carole Dean,1996-07 **DON'T Wait** Angelique Ferrandiz,2026-01-15 We all have a drawer full of dreams we've promised ourselves we'll pursue someday Someday we'll travel Someday we'll start that business Someday we'll return to our passions But someday has a dangerous habit of turning into never DON T Wait is a wake up call for anyone caught in the trap of postponement Through powerful stories of real people who kept pushing their dreams into an uncertain future this book reveals a hard truth the perfect moment you're waiting for doesn't exist Meet Maya whose travel dreams collect dust in a notebook while she waits for her kids to grow up Lena who packed away her paints until life slowed down only to discover her passion had dried up along with her brushes Iann and Elisa who spent five years planning the perfect trip that never happened while their dreams quietly changed shape The hidden danger isn't just that time passes but also we'll change The dream you're protecting today might not even matter to the person you become tomorrow Your interests shift Your energy evolves Your circumstances transform If you wait too long you might lose not just the opportunity but the desire itself This book challenges the myth that patience is always a virtue and planning always leads to better outcomes Sometimes the messy imperfect action you take today is infinitely more valuable than the polished dream you keep scheduling for tomorrow DON T Wait offers a simple but radical message Start now Start small Start imperfectly Because the only moment you truly have is now The question isn't whether you're ready It's whether you're willing to stop waiting and finally start living
