Karpov Kinrade, 2017-10-17 From USA TODAY bestselling author Throne of Glass meets Game of Thrones My mum used to say One day your true self will be revealed And on that day your closest friends will turn against you My name is Sky Knightly I had an ordinary life My work as a firefighter My kids Rinse and Repeat Until someone kidnapped my little girl Kara I ll do anything to get her back So when a mysterious stranger offers me a way to find her I have no choice but to agree Even though it means leaving everything behind Even though it means traveling to a new world Now I must train to be an Ashlord and fight in a war greater than any before A war between humanity and dragons If I trust the wrong person I m dead If I love the wrong person I m dead And if I die who will save Kara If I die who will save the world The dragons are coming Are you ready

The Tiny Dragon's Adventure AQEEL AHMED, 2023-05-13 The Tiny Dragon s Adventure Summary about this story Spark a small dragon who lives in the mythical country of Misty Meadows goes on an amazing journey that belies his small size Spark wants to show that even the smallest dragons can have the biggest hearts Her green scales shine and her wings are thin When Spark sees a flyer for the Great Dragon Games he sees it as a chance to show off his skills and make his dreams come true He goes with determination to the Dragon s Roost where the games are held Along the way he runs into obstacles like thick woods dangerous rivers and mischievous goblins When Spark gets to the Dragon s Roost he flies around the holes instead of through them in the Fiery Ring Race and wins a special prize In the Crystal Maze Challenge his small size helps him get through tight spots and find the valuable crystal In the last event the Sky High Soar Spark s drive helps him go higher and higher which earns him the respect of the people watching Even though he didn t win the race his other dragons admire him for being brave and strong Spark s adventures in Misty Meadows keep going as he discovers new areas and helps people in need His name as a brave dragon spread far and wide Even Eldor the wise old dragon heard about how brave he was Eldor is so pleased with Spark s good qualities that he gives him a magical amulet that lets him grow whenever he wants Spark goes on amazing adventures with his new power where he meets magical animals and makes new friends Spark s small size helped him solve problems and give a helping hand like when he helped a lost spirit find her way home and when he helped a friendly giant get back his stolen golden harp During Spark s underground trip in Atlantis he meets Marina

a mermaid who cares about the health of the coral reefs With the help of his amulet he gets bigger and helps Marina rebuild the reefs which makes the water creatures grateful Spark learns from his adventures that a person s size is not a measure of how brave or important they are The most important things about him are his heart his courage and his desire to help others He becomes an example for other people telling them to believe in themselves and be proud of what makes them different King Cedric of Misty Meadows finds out about Spark s amazing deeds Spark is called to the royal court where the king makes him the Guardian of Misty Meadows and gives him the job of protecting the magical people who live there Spark keeps going on adventures as the Guardian protecting Misty Meadows and all the fun things there His legacy lives on inspiring people to believe in their own powers and accept the magic that is already inside them Spark s journey shows how important it is to be brave be kind and believe that even the tiniest person can make the biggest difference Spark s heart is full of happiness and pride every time he goes on a new adventure Misty Meadows grows well under his watch and the Valley of Whispers is a place where magic and knowledge from the past can be found Spark s story will live on telling everyone who hears it that greatness can come in many forms and that a brave heart can lead to the most amazing things How the story started Once upon a time Spark a small dragon lived in the magical land of Misty Meadows Spark was not like other dragons In fact he was the smallest dragon anyone had ever seen He was a sight to behold His green scales sparkled and his wings were as thin as gossamer Even though Spark was small he had big dreams and a brave heart He wanted to do big things like the big dragons he had heard about He spent his days exploring the beautiful fields and playing with his animal friends in the woods Spark always wanted more One beautiful morning Spark was flying around when he saw a brightly colored bird It said that there would be a race called the Great Dragon Games in which dragons of all sizes could take part Spark s little heart was racing with happiness He knew this was his chance to show that even tiny dragons can have the biggest hearts Spark gathered up his courage and went to the Dragon s Roost where the Great Dragon Games were going to be held The trip wasn t easy for a dragon of his size He had to go through thick woods cross dangerous rivers and even trick a group of sneaky goblins Spark kept going because he was driven by his strong desire After traveling for days Spark gets to the Dragon s Roost As dragons of all shapes sizes and colors came from all over the place was filled with energy Spark s heart skipped a beat but he didn t let the fact that he was short stop him He was going to do everything he could There were many different contests at the Great Dragon Games and each one tried a different skill The Fiery Ring Race was the first time dragons had to fly through a number of flaming hoops Spark knew he couldn t fly as quickly as the others but he was quick and smart He didn t run through the hoops Instead he flew around them using his speed and agility Spark won a special prize for being creative because the judges were impressed by how he did things differently The Crystal Maze Challenge which was a test of intelligence and skill came next Dragons had to get through a maze full of magical hurdles to find a valuable gem Spark was small so he could quickly move through small areas and around tight turns As he ran quickly through the maze his green

scales sparkled in the dim light He saw the gem right away which got him another round of praise from the crowd The Sky High Soar was the last game and the hardest one Dragons had to fly to the top of the Enchanted Mountains while dodging stormy clouds and strong winds When Spark looked up at the tall hills he felt both excited and scared But he wouldn't give up With each beat of his little wings he went higher and higher never losing sight of his goal As Spark reached the top the crowd cheered loudly They were impressed by how brave and determined the small dragon was Even more important than the Sky High Soar Spark had won the love and respect of his fellow dragons Spark went back to Misty Meadows happy and proud of how well he did at the Great Dragon Games The animals in the woods cheered and praised him because they were proud of their brave friend Spark's story about being brave and persistent taught young dragons and other animals to believe in themselves and be proud of what makes them different His story showed that a person's worth is not based on how tall they are but on how brave and driven they are Spark went on exciting adventures where he found new places and helped people who were in trouble He In Misty Meadows he became a sign of hope and inspiration a reminder that even the smallest of them could do big things Spark's status as the little dragon with the biggest heart grew with every new adventure he went on and act of kindness he had Eldor a wise old dragon took notice of Spark because he was brave and didn't care about himself Eldor went to see Spark because he was amazed by how good he was He told Spark about his own great adventures Spark got a special amulet from Eldor because he was brave and helped bring peace back to Misty Meadows Spark's size could be changed at will by the charm Spark can change into a bigger dragon that can do even more powerful things with just one touch Spark's size used to be seen as a bad thing but now he sees it as a chance to make an even bigger difference in the world around him Spark used his new skill to keep exploring the strange places beyond Misty Meadows He solved problems and helped people in need as he went through beautiful woods over dangerous mountains and into secret tunnels Because he was small he could get into small spaces go to hard to reach places and talk to animals that others might have missed With each new adventure Spark's notoriety grew Dragons from other lands came to him for advice and animals of all sizes saw him as a sign of hope Spark's kind and brave deeds became famous and they still inspire people today
