Dreams Of Trespass:

Dreams Of Trespass Fatima Mernissi, 1994-05-20 I was born in a harem in 1940 in Fez Morocco So begins Fatima Mernissi in this exotic and rich narrative With a magical tale spinner s words this world renowned scholar one of the most eloquent voices of feminism in the Muslim world weaves her own memories with dreams and fantasies of the women who surrounded her in the courtyard of her childhood It is the magic of recreating a world of one s own navigating beyond the frontiers that Mernissi describes with great wit and color In a book as evocative as anything found in *A Thousand and One Nights* she writes of the politics of seduction and the harem as metaphor Peopled with marvelous wise and funny women all individualists *Dreams of Trespass* is a provocative book whose rewards go far BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Dreams of Trespass [book Club Kit]** Fatima Mernissi, 1994

often intrude on the space of others and ignore our impact on them For example the founders of the United States sought to safeguard the right of freedom of speech but did not offer ways to defend ourselves against abuses of such rights The book considers issues such as the balance between an individual s right to smoke and another s right not to be affected by that activity The discussion offers implications for education children s and women s issues environmental issues minority and ethnic concerns and human rights *100 of the Most Outrageous Comments about Dreams of Trespass* Michael Birling,2013-01 In this book we have hand picked the most sophisticated unanticipated absorbing if not at times crackpot original and musing book reviews of Dreams of Trespass Tales of a Harem Girlhood Don t say we didn t warn you these reviews are known to shock with their unconventionality or intimacy Some may be startled by their biting sincerity others may be spellbound by their unbridled flights of fantasy Don t buy this book if 1 You don t have nerves of steel 2 You expect to get pregnant in the next five minutes 3 You ve heard it all **Index to Short Stories** ,1929 **New York Times Saturday Book Review Supplement** ,1994-07 **Women in Morocco** Rachel Alpert,2007-05-29 The evolving status of women in Moroccan society has drawn much attention in recent years particularly in the legal realm Less noticed but no less crucial has been the accelerated entrance of Moroccan women into the workforce in recent decades The myriad reasons for and implications of this phenomenon are addressed by this study By drawing upon and synthesizing for the first time a wide range of anthropological sociological historical and economic sources and data this study fills an important lacuna in the literature **Culture and Personality** Robert Alan LeVine,1974 Culture and Personality brings together some of the best culture and personality studies from the 1960s and 1970s It offers illuminating views of a field that is interdisciplinary in nature within the social and behavioral sciences defined primarily by its attention to behavioral differences between populations the development in the individual of psychological dispositions accounting for such differences and their relationships to social and cultural environments
