Heart Blade: The Devils and The Dreamscape Jillian Alexandra,2026-03-09 When the Heart Queen dies a portal tears open and two devils Brianna and Richard tumble into Alaria Stranded in a strange land they re taken in by Lyselle and her family whose kindness sparks unlikely bonds But in Barrowton fear spreads faster than friendship Led by the vengeful Harriet some hares demand the devils be cast out convinced they threaten everything the community holds dear As tensions rise Lyselle hero of the hare nation and former wielder of the Heart Blade grieves the loss of her mentor and brother With each passing day despair tightens its hold refusing to let go So when Bri discovers that the Oracle of Dreams might hold the key to returning home Lyselle joins the quest not just to help her friends but to escape the storm within her own heart Together the trio journeys into the Great Emerald Forest and beyond into the World of Dreams where magic and memory warp reality and truth hides in shadow In this shifting realm heroes are forged loyalties unravel and even the gentlest heart may be led astray In this second chapter of the Heart Blade saga courage is tested friendships are forged and emotions become the sharpest blade of all
