# Dreyfus Affair

**Betty Schechter**

## **Dreyfus Affair:**

The Dreyfus Affair Leslie Derfler, 2002-04-30 On October 15 1894 Alfred Dreyfus a Jewish artillery captain attached to the French General Staff was arrested on charges of having betrayed his country by selling military secrets to the Germans He was convicted of treason by military court martial and sentenced to life imprisonment on Devil s Island but over the next 12 years a small group of human rights supporters was able to clear him and identify the real traitor and Dreyfus was pardoned The most sensational case in French history it pitted national security interests against individual rights exposed the anti-Semitism that permeated France and influenced the course of Europe as it rumbled toward the first of two world wars This work provides the first comprehensive examination of this incident for students including a narrative historical overview essays on major aspects of the event lengthy biographical profiles of the key players the text of important primary documents contemporary to the time a timeline of the event and list of French Presidents and Ministers of War during the Affair a glossary of terms and a bibliography of print and electronic sources and films suitable for students This is an ideal resource for student use Leslie Derfler the foremost American authority on the Dreyfus Affair puts the Affair in historical and social context for the reader In addition to an historical overview other essays examine the French political context before Dreyfus the issue of anti-Semitism in the Affair the Socialists position and how historical perceptions of the Dreyfus Affair have shifted over the last hundred years Lengthy biographies of key players enrich the reader s understanding of the role of the protagonists and antagonists in the Affair A wide range of primary source documents from Alfred Dreyfus s diary descriptions of the torment he suffered on Devil s Island to Emile Zola s famous J accuse letter accusing the Army high command and the French government of conspiring to hide the truth and protect the guilty party bring to life the emotional content of the Affair A selection of rare photographs and newspaper illustrations and cartoons provides a valuable visual component

*The Affair: The Case of Alfred Dreyfus* Jean-Denis Bredin, 2019-07-31 Co published by Plunkett Lake Press and George Braziller Inc On an autumn morning in 1894 Captain Dreyfus was summoned to appear for a routine inspection instead as he took down a letter dictated by a senior officer he was summarily accused of high treason So began a twelve year series of events that included his imprisonment on Devil s Island the publication of Emile Zola s passionate J Accuse the Rennes retrial and the pardon and final rehabilitation of 1906 As the Dreyfus case turned into the Affair the history of a single military career came to display the conflicts that were tearing France apart military defeat anti-Semitic furor and the place of traditional values in a country still reeling from the turbulence of the French Revolution Told with an historian s insight and a novelist s skill The Affair makes fascinating and informative reading about one of the most celebrated episodes in modern history There have been many books about the Dreyfus Affair but Jean Denis Bredin s book is one of the best of them lucid well organized informed by a fine sense of drama John Gross The New York Times a critically acclaimed study Michiko Kakutani The New York Times If one is limited to a single book about the Dreyfus case and its consequences this should be it

Bredin has told this story with precision passion and a vivid sense of character The New York Review of Books A brilliant and fascinating book What is most remarkable about The Affair is the skill and sensitivity with which the author places it in its essential historical setting It is also a gripping though terrible story superbly told The Atlantic This is the most judicious and absorbing account to date of the Dreyfus Case The Boston Globe This is certainly the best book on the Dreyfus case now available in the English language San Francisco Examiner Bredin is crystal clear in his gripping narrative of the complex case His tapestry glows with all the color of the Belle Epoque and its extravagances Chicago Sun Times There have been other books on the Affair but I can't imagine any of them coming even close to Bredin's work He is brilliant at placing the myriad elements of the Affair in context with verve and lucidity It should be a model for future historians San Francisco Chronicle

**The Dreyfus Affair** G. Whyte, 2005-10-12 Volume one of a comprehensive series on the Dreyfus Affair this account chronicles for the first time in English and day by day the drama that destabilized French society 1894-1906 and reverberated across the world A deliberate miscarriage of justice the public degradation of an innocent Jewish officer and his incarceration on Devil's Island espionage intrigue media pressure vehement antisemitism and political skulduggery topics so relevant to our times are set within a broad historical context Meticulous research new translations of key documents a wealth of primary sources and illustrations and a select bibliography make this an indispensable reference work

**Dreyfus** Ruth Harris, 2010-06-22 The definitive award winning history of the infamous Dreyfus Affair a scandal that shook nineteenth century France and stunned the world National Jewish Book Awards Winner In 1894 Alfred Dreyfus a Jewish officer in the French army was wrongfully convicted of being a spy for Germany and was imprisoned on Devil's Island Over the following years attempts to correct this injustice tore France apart inflicting wounds on the society which have never fully healed But how did an obscure miscarriage of justice come to break up families in bitterness set off anti-Semitic riots across the French empire and nearly trigger a coup d'etat How did a violently reactionary obscurantist attitude become so powerful in a country that saw itself as the home of enlightenment Why did the battle over a junior army officer occupy the foremost writers and philosophers of the age from Emile Zola to Marcel Proust Emile Durkheim and many others What drove the anti-Dreyfusards to persist in their efforts even after it became clear that much of the prosecution's evidence was faked Drawing on private letters and thousands of previously unconsidered sources prizewinning historian Ruth Harris goes beyond the conventional narrative of truth loving democrats uniting against proto-fascists Instead she offers the first in-depth history of both sides in the Affair showing how complex interlocking influences tensions within the military the clashing demands of justice and nationalism and a tangled web of friendships and family connections shaped both the coalition working to free Dreyfus and the formidable alliances seeking to protect the reputation of the army that had convicted him Sweeping and engaging Dreyfus offers a new understanding of one of the most contested and significant moments in modern history Praise for Dreyfus Harris's excellent Dreyfus deserves a wide audience for its patient fair-minded exploration of human ideals delusions

prejudices hatreds and follies Leo Damrosch The New York Times Book Review A well written and well researched analysis of a great miscarriage of justice Booklist Beautiful and complex Christopher Hitchens The Weekly Standard **The Dreyfus Affair in French Society and Politics** Eric Cahm,2014-07-15 The Dreyfus affair remains one of the most famous miscarriages of justice in modern times Eric Cahm's study does justice to the human drama whilst also throwing light on the wider society and politics of the Third Republic in the traumatic years after the Franco Prussian War This wide ranging survey the only short modern account in English anchors the Affair in its full social and political context Organised round a narrative of events it offers portraits of all the main characters substantial extracts from key sources in fresh translations a comprehensive bibliography and a detailed chronology **The Dreyfus Story** Richard Walden Hale,1899 **The Dreyfus Affair** Betty Schechter,1967 Why the Dreyfus Affair Matters Louis Begley,2009-01-01 In December 1894 Captain Alfred Dreyfus a brilliant French artillery officer and a Jew of Alsatian descent was court martialed for selling secrets to the German military attache in Paris based on perjured testimony and trumped up evidence The sentence was military degradation and life imprisonment on Devil's Island a hellhole off the coast of French Guiana Five years later the case was overturned and eventually Dreyfus was completely exonerated Meanwhile the Dreyfus Affair tore France apart pitting Dreyfusards committed to restoring freedom and honor to an innocent man convicted of a crime committed by another against nationalists anti Semites and militarists who preferred having an innocent man rot to exposing the crimes committed by ministers of war and the army's top brass in order to secure Dreyfus's conviction Was the Dreyfus Affair merely another instance of the rise in France of a virulent form of anti-Semitism In Why the Dreyfus Affair Matters the acclaimed novelist draws upon his legal expertise to create a riveting account of the famously complex case and to remind us of the interest each one of us has in the faithful execution of laws as the safeguard of our liberties and honor The Dreyfus Affair Piers Paul Read,2012-02-02 Intelligent ambitious and a rising star in the French artillery Captain Alfred Dreyfus appeared to have everything family money and the prospect of a post on the General Staff But his rapid rise had also made him enemies many of them aristocratic officers in the army's High Command who resented him because he was middle class meritocratic and a Jew In October 1894 the torn fragments of an unsigned memo containing military secrets were retrieved by a cleaning lady from the waste paper basket of Colonel Maximilien von Schwartzkoppen of the German embassy in Paris When French intelligence pieced the document back together to uncover proof of a spy in their midst Captain Dreyfus on slender evidence was charged with selling military secrets to the Germans found guilty of treason by unanimous verdict and sentenced to life imprisonment on the notorious Devil's Island The fight to free the wrongfully convicted Dreyfus over twelve long years through many trials is a story rife with heroes and villains courage and cowardice dissimulation and deceit One of the most infamous miscarriages of justice in history the Dreyfus affair divided France stunned the world and unleashed violent hatreds and anti Semitic passions which offered a foretaste of what was to play out in the long bloody twentieth century to come

Today amid charged debates over national and religious identity across the globe its lessons throw into sharp relief the conflicts of the present In the hands of historian biographer and prize winning novelist Piers Paul Read this masterful epic of the struggle between a minority seeking justice and a military establishment determined to save face comes dramatically alive for a new generation [The Dreyfus Affair and the Rise of the French Public Intellectual](#) Tom Conner,2014-05-03

While countless books have chronicled the wrongful conviction of French military officer Alfred Dreyfus his ensuing trials and his eventual exoneration this distinctive volume examines France s Dreyfus Affair 1894 1906 with a critical eye analyzing the actions of its main protagonists the rise of the public intellectual and the Affair s continued relevance After a brief overview of the events to establish the poisoned ideological climate of the day the work explores how intellectuals like Bernard Lazare Emile Zola and others contributed to the Affair defining both it and themselves in the process With mini portraits of the key players and a detailed chronology this telling book combines rigorous scholarship with cultural commentary to demonstrate the continued relevance of the example set by Dreyfus and his many supporters **The Dreyfus Affair** Piers Paul Read,2012-03-20 A compelling new and highly accessible account of one of the most high profile and influential miscarriages of justice in French history *The Dreyfus Affair* *The Dreyfus Affair and the Crisis of French Manhood* Christopher E. Forth,2004-02-06 Historian Christopher E Forth shows how the rhetoric and images used during the Dreyfus Affair reflected French anxieties about masculinity and modernity and also facilitated ongoing debates about the state of French manhood through the First World War **The Dreyfus Affair** Emile Zola,Alain Pagès,Eleanor Levieux,1996 Living novelist Emile Zola This book is the first to provide in English translation the full extent of Zola s writings on the Dreyfus Affair It represents in its polemical entirety a classic defence of human rights and a searing denunciation of fanaticism and prejudice Zola s texts constitute a unique and outstandingly eloquent primary source that is essential for a complete understanding of the Dreyfus Affair They shed brilliant new light on the official mind *Prisoners of Honor* David L. Lewis,1973 The Dreyfus Affair began with the persecution of Alfred Dreyfus the French Army s most promising Jewish officer who was falsely accused of passing military secrets to Germany It ended as the cause celebre of the 19th century Here is a stunning re creation of this terrible act of injustice brilliantly told by a Pulitzer Prize winning author *The Dreyfus Affair* Martin Phillip Johnson,1999 The Dreyfus Affair or simply L Affaire was the defining event in French life between the disasters of the Franco Prussian War and the First World War After decades of prosperity and growth following the Prussian invasion the destruction of the Paris Commune and the seemingly successful creation of the Third Republic the Affair cruelly exposed the bitter divisions within French society The French army was torn apart ministers were forced to resign new political groupings were created and ultimately the Affair led to an attempted coup and contributed to the paranoia that almost resulted in a catastrophic Anglo French war in 1898 This short work fills the need for a comprehensible concise book which focuses on the scale and complexity of the Dreyfus Affair *The Dreyfus Affair* or simply L Affaire was the defining event in French life between the

disasters of the Franco Prussian War and the First World War After decades of prosperity and growth following the Prussian invasion the destruction of the Paris Commune and the seemingly successful creation of the Third Republic the Affair cruelly exposed the bitter divisions within French society The French army was torn apart ministers were forced to resign new political groupings were created and ultimately the Affair led to an attempted coup and contributed to the paranoia that almost resulted in a catastrophic Anglo French war in 1898 This short work fills the need for a comprehensible concise book which focuses on the scale and complexity of the Dreyfus Affair *The Dreyfus Affair* Charles River Editors, 2019-06-23 Includes pictures Includes a bibliography for further reading By my forty years of work by the authority that this toil may have given me I swear that Dreyfus is innocent By all I have now by the name I have made for myself by my works which have helped for the expansion of French literature I swear that Dreyfus is innocent May all that melt away may my works perish if Dreyfus be not innocent He is innocent All seems against me the two Chambers the civil authority the military authority the most widely circulated journals the public opinion which they have poisoned And I have for me only an ideal of truth and justice But I am quite calm I shall conquer I was determined that my country should not remain the victim of lies and injustice I may be condemned here The day will come when France will thank me for having helped to save her honor mile Zola Sometime in 1889 a woman named Madame Marie Bastian was recruited as an agent of the secretive Statistical Section an espionage and counter intelligence agency attached to the military intelligence office of the French General Staff Mme Bastian a cleaner employed by the German Embassy in Paris and thanks to her Romany origins she was somewhat acquainted with Germany and marginally conversant in the German language She enjoyed complete and unrestricted access to the private residences of many important German diplomats and functionaries and as she gathered up the torn up documents in the various waste paper baskets she routinely passed them on to a handler attached to the Statistical Section Most of what was delivered was of little interest or importance but on some occasions documents taped back together and translated proved to be of significant value In September 1890 among a pile of torn up documents delivered by Mme Bastian was found a note handwritten in French which when pieced together proved to be a list of French military secrets handed over to the Germans by an unknown French officer of the General Staff This discovery which proved the existence of a traitor in the department triggered a ferment in the corridors of the Conseil Sup rieur de la Guerre and the hunt was on for the culprit By a process of elimination officers of the military intelligence were able to narrow down a list of probable traitors among whom was a young Jewish staff officer Captain Alfred Dreyfus who was immediately earmarked as the chief suspect Dreyfus handwriting was compared to that on the bordereau and although the various handwriting experts who conducted the comparison failed to reach a common consensus it was nonetheless judged that Dreyfus was indeed the culprit In December 1894 Dreyfus was court martialed convicted and sentenced to a term of life in prison On January 5 1895 in a formal parade Captain Dreyfus was stripped of his rank his sword was broken over the knee of a sergeant and he was

shipped overseas to the penal colony of Devil's Island on the coast of French Guiana. These are the essential facts of the Dreyfus Affair as it came to be known, an episode that in many respects defined French anti-Semitism in the late 19th century. A case was built with the central objective of protecting the integrity of French military establishment and in the process the relatively muted anti-Semitism in France at least compared to other European nations was transformed into an era of virulent and violent Jew hatred that characterized and sullied the final decade of the 19th century in France. Even today as many of the affair's nuances and facets have faded from memory its political importance and anti-Semitic elements continue to be well known and quite relevant today. *The Dreyfus Affair: The History and Legacy of France's Most Notorious Antisemitic Political Scandal* examines the chain of events that produced one of the most notorious episodes in modern French history.

*France and the Dreyfus Affair: A Documentary History* Michael Burns, 2019-08-09 The unjust conviction of French Jewish Captain Alfred Dreyfus on charges of treason started the Dreyfus affair, a major event in European anti-Semitism. This documentary history is designed to introduce the broad outlines and significant legacies of the Dreyfus affair from the captain's arrest in 1894 to the 1998 centennial of J'accuse. Émile Zola's scathing indictment of the French military. This volume, fashioned for a weeklong assignment in a college course, reproduces the affair's most celebrated texts as well as less familiar but no less telling documents. Presented as a chronological narrative, it charts Captain Dreyfus's case as it unfolded in time and summarizes the major issues and debates that have survived for the past century. From the preface by Michael Burns: A fresh and compelling study of the turn of the century affair in a concise and readable book. A fine compilation of well-chosen documents and lucid analysis. Beyond making this frequently told tale come to life once again, I literally could not put the book down. Burns has given it historical and cultural context. Donna F. Ryan, Gallaudet University. Michael Burns's volume is imaginatively written with a keen eye to the drama and desperation of the Dreyfus affair. Its special strength is its learned attention to the political, military, and cultural contexts. Weaving the author's own commentary together with documents from the period, this volume is a splendid guide to one of the most important historical landmarks of our time. Michael R. Marrus, University of Toronto. In both his analysis and his choice of documents, Michael Burns has brilliantly captured all the complexity and the passion of the Dreyfus affair. I salute his achievement. Benjamin F. Martin, Louisiana State University.

*The Dreyfus Affair* Harry Roderick Kedward, 1965      **A Nation on Trial** Margery Elfin, 2016-07-04 In a time when burkini bans and terrorist attacks have thrust France into the international news cycle, people around the world are asking if there could be something that sets France apart from other nations and perhaps makes it a target. Is it possible there is more going on beneath the surface tensions in French society that make it a powder keg? The answer may lie in history and appears most visibly in two military trials in 1894 and 1899 which earned the moniker of the Dreyfus Affair and extended well beyond the courtroom, much as the O. J. Simpson trial did in the 1990s. Behind the lightheartedness of La Belle Époque which France presented to the world at the end of the 19th century, there was a quite different reality illustrated by the Dreyfus Affair and

brought to public attention by Émile Zola an exemplar of realism in literature He argued that the trials for high treason of a Jewish Army officer Alfred Dreyfus was not the just punishment for a national traitor as the Army claimed but blatant persecution of a Jewish citizen The Army thought it could get away with framing an innocent man and sending him to solitary confinement in exile What the Army did not realize was that the media armed with a new technology the telegraph were about to revolutionize public discourse The widespread mobilization and polarization of public opinion encouraged by Zola's *J'accuse* soon proved too strong to ignore More than 150 years later much of Zola's fiery critique of French society still rings true Media coverage raised to a new level by the telegraph played as an important role in his day as it does in the present age of the internet with the challenges of pluralism in France as front and center as ever If France is to have peace Elfin argues it must open itself to broader and more inclusive definitions of Frenchness
