Does Drug Use Cause Poverty? Robert Kaestner, 1998 In this study I examine the effect of drug use on poverty The main objective of the paper is to provide descriptive empirical information about the relationship between drug use and poverty and to explore in a preliminary fashion the question of whether drug use causes poverty Toward this end I present the results of both descriptive and multivariate analyses of the relationship between drug use and poverty for two national samples of young adults One sample is drawn from the National Household Survey of Drug Abuse NHSDA and the other from the National Longitudinal Survey of Youth NLSY The results of the analysis indicate that for both samples drug use is associated with greater poverty
