STORYLINE PRESS

"I've read this book twice. It's dreamy and evocative in the same way. The young girl, the story told in perfectly imagined. Our country's best, its nobles, the Indians, the deliberately driven Calves, the struggling miners, the struggling farm are lightly drawn but the farmers, the reality are there. The child pulls the life of the place around her close, close and includes some hopeful note to France or at least Boise."

—Grace Polity

"Author Diane Simmons could have turned this novel into something bleak and revisionist, an expose of rural narratives and a debunking of certain American illusions, but she didn't. The innocence of Alberta, whose point of view she uses, softens the picture, as does Simmons' own nostalgia."
