,1925 **Dreams and Visions** William Booth,2017-08-09 This wonderful book is in some ways similar to The Christmas
Carol by Charles Dickens but in some ways it is like Pilgrim s Progress The five dreams and visions teach us important
lessons and reveal important truths It should not be looked upon as a book about Heaven it is not about Heaven but Heaven
is merely the location where two of the dreams take place What is important is what happens to the man in the dreams
Though not as old as Pilgrim s Progress it needed to be updated so I have changed many archaic words and changed a few
phrases that were not clear I have also changed chapter titles to be more representative of the actual content of the chapters
I have even changed the original title of the book which was merely Visions but it is clear that they are mostly dreams
