"Why We Drop Out" Deborah L. Feldman, Antony T. Smith, Barbara L. Waxman, 2017 Through engaging stories and the use of students voices this book corrects persistent misconceptions about youth who drop out of high school Based on research conducted with high school dropouts in both urban and rural communities the authors argue that contrary to popular belief most dropouts are not disengaged from school at an early age Many have positive memories of their education both social and academic that educators and policymakers can draw on to create successful prevention and intervention practices The narratives and insights presented here will help readers to better understand the interplay of school related and personal factors that lead students to drop out of school Why We Drop Out is essential reading for K 12 educators school principals counselors psychologists and everyone concerned with our nation s dropout crisis Every educator will recognize in these

stories the daily opportunities that adults have to reach out and grab onto kids who are desperate for a hand and just need someone to pull them over that line From the Foreword by Camille A Farrington PhD author of *Failing at School Lessons for Redesigning Urban High Schools* This book greatly improves our understanding of the complex and long term process of dropping out of high school Russell W Rumberger UC Santa Barbara director California Dropout Research Project A must read for any teacher principal or superintendent interested in changing the lives of our students most at risk Greg Baker superintendent Bellingham Public Schools This is a book that everyone with a stake in education must read Dr Shivohn Garcia SUNY Empire State College

Dropouts From Schools Lois Weis,Eleanor Farrar,Hugh G. Petrie,1989-11-01 The authors examine the major groups within the dropout population the myriad of factors within schools that lead to dropping out and the larger social and economic context within which dropping out occurs The resulting synthesis of knowledge and perspectives provided here will enhance our understanding of an important topic that has to this time been given too little attention
