*Where the Drowned Girls Go* Seanan McGuire, 2022-01-04 Winner 2023 Hugo Award for Best Novella Winner 2022 Hugo Award for Best Series In *Where the Drowned Girls Go* the next addition to Seanan McGuire's beloved *Wayward Children* series students at an anti-magical school rebel against the oppressive faculty Welcome to the Whitethorn Institute The first step is always admitting you need help and you've already taken that step by requesting a transfer into our company There is another school for children who fall through doors and fall back out again It isn't as friendly as Eleanor West's Home for *Wayward Children* And it isn't as safe When Eleanor West decided to open her school her sanctuary her Home for *Wayward Children* she knew from the beginning that there would be children she couldn't save when Cora decides she needs a different direction a different fate a different prophecy Miss West reluctantly agrees to transfer her to the other school where things are run very differently by Whitethorn the Headmaster She will soon discover that not all doors are welcoming At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied *The Drowned Girl* Eve Alexandra, 2003 Rare in any age is work which incorporates a passion for experience a commitment to truth an ability to plumb the irrational and a fluency in poetic language and music which can work through all these tangled thickets but Eve Alexandra does just that This is true poetry it immediately takes its place as a participant in the vast historical voice which composes poetry a voice which contains ten thousand tones but which takes nothing unto itself which doesn't resonate as do the poems of *The Drowned Girl* with authenticity and fervor C K Williams Judge One of the things I find compelling about Eve Alexandra's poems is that while the narrator is seductive and beautiful she is not pleasing She does not offer comfort She is not kind or solicitous Like Ariel who performs the tempest for Prospero Alexandra too is a tempestress these are the storms and drownings of her own invention Like Ariel's bedeviling and gorgeous tunes composed to tease the sorrowful these are poems of the taunt and tease the razor in the apple Lynn Emanuel Something bright and reflective something lucid and exacting glints at the center of this fleshy original debut Is it a needle Is it a scalpel Is it a scythe Is it the switchblade a woman might carry in her purse Eve Alexandra wields a tender sharp honesty The lines cut and dice arc and glimmer in the light of her lyricism and intelligence These poems will open you make you bleed make you wonder Terrance Hayes

**Drowning Girls in China** D. E. Mungello, 2008-06-27 This groundbreaking book offers the first full analysis of the long neglected and controversial subject of female infanticide in China Although infanticide and child abandonment were worldwide phenomena from antiquity down to the nineteenth century when massive numbers of children were still being abandoned in Europe China was unique in targeting girls almost exclusively Yet despite its persistence for two thousand years little has been published on a practice that is deeply sensitive within China and little understood by outsiders Drawing on little known Chinese documents and illustrations noted historian D E Mungello describes the causes and continuation of female infanticide since 1650 despite efforts by Confucian moralists Buddhist teachings government officials and even

imperial edicts to stop the practice The arrival of Christian missionaries led to foreign involvement as well with Catholic priests baptizing abandoned and dying infants in Nanjing and Beijing beginning in the early 1600s Mission efforts peaked in the nineteenth century when the European based Society of the Holy Childhood urged Catholic children to contribute their pennies to help neglected children in China However most of the infant victims were drowned at birth in the privacy of their homes thereby escaping the scrutiny of the law and the public Mungello brings this secretive practice to light with a nuanced and balanced analysis of the cultural economic and social causes of early infanticide and its contemporary manifestation in sex selected abortion as a result of the government s one child policy Presenting female infanticide as a human rather than a distinctly Chinese problem he estimates the tragic loss of girls in the millions

**The Drowned Muse** Anne-Gaëlle Saliot,2015 The Drowned Muse is a study of the extraordinary destiny in the history of European culture of an object which could seem at first glance quite ordinary in the history of European culture It tells the story of a mask the cast of a young girl s face entitled L Inconnue de la Seine the Unknown Woman of the Seine and its subsequent metamorphoses as a cultural figure Legend has it that the Inconnue drowned herself in Paris at the end of the nineteenth century The forensic scientist tending to her unidentified corpse at the Paris Morgue was supposedly so struck by her allure that he captured in plaster the contours of her face This unknown girl also called The Mona Lisa of Suicide has since become the object of an obsessive interest that started in the late 1890s reached its peak in the 1930s and continues to reverberate today Aby Warburg defines art history as a ghost story for grown ups This study is similarly a ghost story for grown ups narrating the aura of a cultural object that crosses temporal geographical and linguistic frontiers It views the Inconnue as a symptomatic expression of a modern world haunted by the earlier modernity of the nineteenth century It also investigates how the mask s metamorphoses reflect major shifts in the cultural history of the last two centuries approaching the Inconnue as an entry point to understand a phenomenon characteristic of 20th and 21st century modernity the translatability of media Doing so this study mobilizes discourses surrounding the Inconnue casting them as points of negotiation through which we may consider the modern age

**The Drowned Girl** Sara Blaedel,2018-11-20 The Danish detective must stop a devious killer who is targeting immigrants in this timely crime thriller It s clearly no ordinary drowning When a young girl is pulled from the watery depths a piece of concrete tied around her waist and two mysterious circular patches on the back of her neck Detective Louise Rick is immediately called out to Holbaek Fjord Her name was Samra and when the police learn that she was a member of Holbaek s sizeable Muslim immigrant community they immediately assume it was an honor killing Yet her mother insists Samra had done nothing dishonorable Louise must navigate the complex web of family and community ties as she hunts a killer before he strikes again Thriller master Sara Blaedel is in top form as Louise takes on what may be her most important and most deadly case yet

[New Stories from the Midwest](#) Jason Lee Brown,Jay Prefontaine,2011-04-19 New Stories from the Midwest presents a collection of stories that celebrate an American region too often ignored in discussions about distinctive

regional literature The editors solicited nominations from more than three hundred magazines literary journals and small presses and narrowed the selection to nineteen authors comprising prize winners and new and established authors The stories written by midwestern writers or focusing on the Midwest demonstrate how the quality of fiction from and about the heart of the country rivals that of any other region The anthology includes an introduction from Lee Martin and short fiction by emerging and established writers such as Rosellen Brown Bonnie Jo Campbell Christie Hodgen Gregory Blake Smith and Benjamin Percy

*The Drowned Girl* Karen Brown Gonzalez, 2008 ABSTRACT The Drowned Girl is a novel in stories that depicts the lives of eight characters living in a small Connecticut town This work is one told through varying perspectives Characters are mothers and fathers husbands and wives daughters sons and lovers Their lives intersect physically and emotionally and the separate stories reveal the facets and repercussions of events both past and present the death of a son and brother in a car accident the life and death of a notorious town figure the past and tragic future of a young woman Jules whose body is found one spring in the Connecticut river The Jules stories six in all document her spiral into despair and involve the other characters as friends lovers and parents As the locus of the cycle Jules and the mystery of her death prompt characters to re view their own circumstances and the way in which past decisions have played a part These revelations of betrayal and loss and the way they affect key characters are effectively inscribed in the story cycle s ability to convey a communal disparateness Each character s story brings a new perspective and the accumulation of the parts provides a more encompassing view of the whole The focus on an upper middle class neighborhood called Ridgewood a subdivision built on dairy farm land in the mid sixties is key to the thematic link that ties the stories together I am interested in revealing the corruption of the natural landscape the carving up of rural areas after World War II to create suburban communities in which family incomes and demographics are almost completely homogenous The suburb of Ridgewood is mapped by roads designed to conform to a hierarchy that includes cul de sacs and a pattern leading to residential areas of greater affluence This setting serves as a backdrop to the complex disintegration of the family

Sherrill, 2014-06-10 From the author of cult classic THE MINOTAUR TAKES A CIGARETTE BREAK comes a dark narrative that begs the question at what point do we become responsible for the things that we see Benny Poteat observes the world from above working hundreds of feet in the air repairing tension lines He s seen a lot of things from this vantage point but nothing can compare to watching a girl die She approaches the river that snakes far below him and walks purposefully into the rushing water never to reappear Startled at both what he s witnessed and his inability to prevent it what Benny does next will forever alter the course of his life He does nothing He gathers up the drowned girl s belongings and doesn t tell a soul what he saw Instead Benny visits the address on a business card he finds in the drowned girl s bag and slowly insinuates himself into the life she once lived But even as he immerses himself in her world he wonders What does it mean to watch someone die And what can explain his strange attraction to the drowned girl VISITS FROM THE DROWNED GIRL is an
