## **Druids Preachers Of Immortality:**

**Druids** Anne Ross,2004-08-01 Druidism was the religion of the Celts The richest source of information about the druids is the vernacular material from Ireland and Wales The author s familiarity with the gaelic texts strips away modern myths about the Druids **Contemporary Druidry: A Historical and Ethnographic Study** Michael T. Cooper,2010-08-21 Contemporary Druidry is one of the fastest growing religions in Western society This book addresses the attempt by practitioners to bring an ancient spirituality into the mainstream It examines ancient Druid beliefs and critiques the contemporary expression by comparing the two Relying on eight years of research and more than 200 interviews the book provides an outsider s look at this faith **Murders at Lake Wyrld** R.R. Brooks,2025-01-19 After his city life crashes Reggie Neet gets a new start when he inherits a secluded estate on Lake Wyrld in a North Carolina forest But the lake front home harbors more than just the chance to dwell closer to nature With the property comes a library of mystical texts his uncle s very large and telepathic cat and a neighboring coven of witches including the captivating Samantha Reggie s hope for a peaceful return to nature evaporates when Sinrix the cat lets Reggie know there is a mystery to solve about his uncle s demise and Samantha insists that Reggie has untapped magical potential Skeptical but intrigued Reggie takes his first steps into a world he never believed in But after bodies begin to surface and a certain Detective Mullins becomes suspicious Reggie must embrace his latent druidic powers and unravel the truth behind the murders before he becomes the next victim Mystery and romance make for a compelling mix in this layered cozy paranormal tale Can Reggie rise to the challenge and uncover his true destiny or will the shadow over Lake Wyrld claim him forever **Performing the Sacra: Priestly roles and their organisation in Roman Britain** Alessandra Esposito,2019-02-15 This book addresses a range of cultural responses to the Roman conquest of Britain with regard to priestly roles The approach is based on current theoretical trends focussing on dynamics of adaptation multiculturalism and appropriation and discarding a sharp distinction between local and Roman cults **The Sister Fidelma Mysteries** Edward J. Rielly,David Robert Wooten,2012-08-09 This is a collection of new essays on Peter Tremayne s Sister Fidelma novels which feature Sister Fidelma s attempts to solve a wide range of crimes often murders that occur under especially mysterious conditions The novels set mainly in 7th century Ireland also include a great deal of history which is not surprising given that the author is actually Peter Berresford Ellis a noted Celtic historian Some of the essays analyze aspects of the novels focusing especially on the protagonist and her partner in detection and ultimately husband Brother Eadulf Other essays place Fidelma and the novels within the tradition of detective fiction Still others explore the historical intellectual spiritual and geographical contexts for her labors Also included are accounts of the author s career the International Sister Fidelma Society and the biennial Sister Fidelma conferences held in Cashel Ireland **An Imperial Possession** David Mattingly,2008-05-27 Part of the Penguin History of Britain series An Imperial Possession is the first major narrative history of Roman Britain for a generation David Mattingly draws on a wealth of new

findings and knowledge to cut through the myths and misunderstandings that so commonly surround our beliefs about this period From the rebellious chiefs and druids who led native British resistance to the experiences of the Roman military leaders in this remote dangerous outpost of Europe this book explores the reality of life in occupied Britain within the context of the shifting fortunes of the Roman Empire Stonehenge Aubrey Burl,2006 Authoritatively researched new insights into Stonehenge s past Britain s leading expert on stone circles turns his attention to the greatest example of them all Stonehenge Drawing on forty years of research and fieldwork archaeologist Aubrey Burl offers a seminal new view of the changing cults and evolving architecture of Stonehenge Every aspect of Stonehenge is re considered in this groundbreaking volume Burl explains for the first time how the outlying Heel Stone long predates Stonehenge itself serving as a trackway marker in the prehistoric Harroway He uncovers new evidence that the Welsh bluestones were brought to Stonehenge by glaciation rather than by man And he reveals just how far the design of Stonehenge was influenced by Breton styles and by Breton cults of the dead Meticulously researched the book sets the record straight on the matter of Stonehenge s astronomical alignments Although the existence of a sightline to the midsummer sunrise is well known the alignment and the viewingposition are critically different from popular belief And until now the existence of an earlier alignment to the moon and a later one to the midwinter sunset has been little appreciated One almost unexplained puzzle remains The site of Stonehenge lies at the heart of a vast six mile wide graveyard All around it are groups of earthen long barrows the burial places of Neolithic people many of whom died more than a thousand years before Stonehenge The mystery is that before Stonehenge there was a vacuum two miles across inside that cemetery Nothing was inside Why Burl points to an answer The Archaeological Journal ,2005
