Beatitude Saints:

Beatitude Saints Daniel Morris-Young,2017-12-07 I was in the shower when I realized I needed to write this book for me Not you Not the editors who had offered me the opportunity and the basic idea pair modern day saints with canonized saints of old Nor for the money it was not much so that was a no brainer Not for any dream of establishing myself as a gifted thinker on divine truths Nope It was for me I still clearly recall the moment more than 30 years ago because it moved me into action I had been mired down in pedantic research on the lives and impact of the 16 very holy humans who people this wee volume I had been approaching the book as a project a report a synthesis a term paper You know the drill But then I realized the obvious this was MY book I could do with it what I wanted If the editors did not like it they could just try to run fast enough to catch me and demand I return the tiny advance As a convert I still had many questions about the Catholic Faith and its practice Still do Was I joining a Marian cult Could the pope role out of bed one morning and declare all Catholics must wear orange underwear on Mondays and we need to comply Why were we encouraged to dig deep in our pockets for the Church but some bishops lived opulent lives even with chauffeurs How can rote prayer be much more than reciting holy nursery rhymes Are miracles really for real Hmmm Lots of questions So I rolled up a bunch of them and laid them before the men and women in this book They were very patient with me Candid Kind And they will be with you too **The Beatitudes**

through the Ages Rebekah Eklund,2021-04-27 The Beatitudes are among the most influential teachings in human history For two millennia they have appeared in poetry and politics and in the thought of mystics and activists as Christians and others have reflected on their meaning and shaped their lives according to the Beatitudes wisdom But what does it mean to be hungry or meek or pure in heart Is poverty a material condition or a spiritual one And what does being blessed entail In this book Rebekah Eklund explores how the Beatitudes have affected readers across differing eras and contexts From Matthew and Luke in the first century to Martin Luther King Jr and Billy Graham in the twentieth Eklund considers how men and women have understood and applied the Beatitudes to their own lives through the ages Reading in the company of past readers helps us see how rich and multifaceted the Beatitudes truly are illuminating what they might mean for us today
