
THE BEATLES TAPES

from the
DAVID WIGG INTERVIEWS

A Specially Priced Double Album
of interviews with
John, Paul, George and Ringo
1969-73

JOHN LENNON AND YOKO ONO

It would probably surprise you to hear an interview with John, who had already by then written and recorded a number of his songs, and who was about to give more than 10 hours of his time to us.

PAUL McCARTNEY

Paul's interview takes us back to the beginning of the band, and the early days of the Beatles. You'll hear Paul's own account of the band's early days, and how he came to be a member of the band.

GEORGE HARRISON

George's interview is one of the most interesting, and it shows how much he has to say about his own music, and the music of the Beatles.

RINGO STARR

Ringo's interview is a real gem, and it shows how much he has to say about his own music, and the music of the Beatles.

Includes eight page pictorial booklet
