

GEORGE O'DAY

GENE FOWLER

and Jim Walker were friends of long standing. In the last years of Walker's life he began to worry because he had no money to leave to his two adopted children. He asked Gene to write the story of his life and times, with a view to selling it to the movies for enough to provide for the children. The movie version as originally planned was never written, but the two men long conferred on details, and at that time Walker turned over to Fowler the documents used in *Beau James*.

BEAU JAMES

The Life and Times of Jimmy Walker

He was a pageant, a panorama, a fable. His days were recorded in headlines. His nights glowed with all the lights of Broadway. He was "Mr. New York."

His good deeds were as varied and manifold as New York's population; his misbehaviors as famous as its skyline. He outraged many, he delighted more, he never bored a human being in his life.

Here is New York's one-hundredth mayor as the public knew him, champagne and bright lights and silk hats and little tin boxes and all. But here is a less familiar Jim too, the warm and engaging human being known intimately only by a few close friends, high among them Gene Fowler.
