The Higher Powers of Man Frederick Madison Smith,1918 Wounded Heart in Flight Anne R. Murray,2015-10-22 Drawing on the successes of her previous books this novel by Dr Murray again echoes the maxim that art holds up a mirror to life Her literary brushstrokes clearly carry the reader through a brilliantly realistic flow of life that each of us can recognize and relate to Anne R Murray was born and raised near Atlanta in Marietta Georgia to well educated parents who adhered closely to the Christian ethos typical of natives in that part of the nation Motivated by the challenges of helping others Anne became a successful high school teacher there She increased her skill and ability in the classroom by earning a doctorate degree in education from which she eventually took a well earned retirement Like her previous works this is an easy read that holds the attention while taking one on a roller coaster through lifes turmoil in a hick Midwestern town The details that she paints make it easy for the reader to identify with the characters scenes and situations that make up the challenges for Julia the story s central character of American Indian heritage May you too enjoy the panoramic view of life that Wounded Heart in Flight paints as you read the latest work from this delightful author vanLee Hughey Author of You Could Be at Sea Dance Hosting and Youd Be Arrested If You Werent on the Dance Floor *Everybody's Magazine* ,1921

The world set free, and Other war papers Herbert George Wells,1926 The Works of H.G. Wells Herbert George Wells,1926 **January's Thaw** J. Conrad Guest,2012-01-12 Many people obsess over their past but no one more than I Perchance it s because as a man out of time I left behind so much of it un-lived If that makes little sense consider that I m a time traveler Although the backdrop for my story is time travel and alternate realities the underlying theme is a more human one of love lost another love found only to be lost and of a decision the result of a single regret brought about by the realization that my self professed courage to never risk my heart to love was instead cowardice to rectify a wrong in a life filled with myriad regrets You may judge me as it is man s nature to judge others or discount my story as the ravings of a

lunatic mind or simply the fiction of an overactive imagination but before you do I ask that you read on to the end and then ask yourself if you would have acted any differently
