Beauty And The Beach:

Beauty and the Nation Christina E. Firpo, 2026-01-06 During the interwar years Vietnamese society witnessed a rapid change in the way women looked Rejecting the model of a sequestered maiden with blackened teeth and long hair they embraced a vivid palette of colors and a colorful lifestyle to match Before the war Vietnam would have seemed like an unlikely place for a beauty industry to thrive Virtuous young women were expected to hide their natural beauty not manipulate it with makeup or flaunt it at a beauty contest Yet ordinary women began seeking out the latest fashions to great public consternation Christina E Firpo explores the development of beauty culture in this period showing how women's faces and bodies became contested sites for envisioning what it meant to be Vietnamese in the modern world She considers dress patterns lip lining tutorials hairstyles physiques and beauty pageants alongside new technologies of media transportation and leisure and the anxieties they provoked The everyday decisions women made about their appearance Firpo argues were ways to stake a claim to the roles they wanted to play in the new society taking shape around them Drawing on a vast array of sources *Beauty and the Nation* offers fresh insight into the tumultuous political economic social and cultural changes that swept across Vietnam during this crucial period

Beauty and the Deceased Debra Sennfelder, 2021-12-14 Kelly Quinn's Long Island consignment shop offers high style at secondhand prices but when a body is found on the beach she needs to start hunting for a wolf in sheep's clothing Kelly is thrilled when she gets a visit from a cousin she hasn't seen in years Becky's cosmetics company is taking off and she just might have laid the foundation for a big money buyout It's a time to celebrate but Kelly is heartbroken when a killer puts an end to their happy reunion during a mysterious midnight meeting near the shore Despite multiple warnings to steer clear Kelly starts shadowing a variety of suspects both inside and outside the beauty business when she isn't busy filling the racks of the Lucky Cove Resale Boutique with lots of new inventory from a local shopaholic Gossip and accusations are flying but there's no glossing over this ugly crime and she's going to make sure the culprit faces justice
