Constructing the Adolescent Reader in Contemporary Young Adult Fiction Elisabeth Rose Gruner,2019-05-17 This book examines

the way young adult readers are constructed in a variety of contemporary young adult fictions arguing that contemporary young adult novels depict readers as agents Reading these novels suggest is neither an unalloyed good nor a dangerous ploy but rather an essential occasionally fraught by turns escapist and instrumental deeply pleasurable and highly contentious activity that has value far beyond the classroom skills or the specific content it conveys After an introductory chapter that examines the state of reading and young adult fiction today the book examines novels that depict reading in school gendered and racialized reading reading magical and religious books and reading as a means to developing civic agency These examinations reveal that books for teens depict teen readers as doers and suggest that their ability to read deeply critically and communally is crucial to the development of adolescent agency *Reading, Translating, Rewriting* Martine Hennard Dutheil de la Rochère, 2013-11-15 Uncovers the neglected role of translation in Angela Carter's fairy tale inspired fiction In translating Charles Perrault's seventeenth century *Histoires ou contes du temps passé avec des Moralités* into English Angela Carter worked to modernize the language and message of the tales before rewriting many of them for her own famous collection of fairy tales for adults *The Bloody Chamber* published two years later In *Reading Translating Rewriting* Angela Carter's Translational Poetics author Martine Hennard Dutheil de la Rochère delves into Carter's *The Fairy Tales of Charles Perrault* 1977 to illustrate that this translation project had a significant impact on Carter's own writing practice Hennard combines close analyses of both texts with an attention to Carter's active role in the translation and composition process to explore this previously unstudied aspect of Carter's work She further uncovers the role of female fairy tale writers and folktales associated with the Grimms *Kinder und Hausmärchen* in the rewriting process unlocking new doors to *The Bloody Chamber* Hennard begins by considering the editorial evolution of *The Fairy Tales of Charles Perrault* from 1977 to the present day as Perrault's tales have been rediscovered and repurposed In the chapters that follow she examines specific linkages between Carter's Perrault translation and *The Bloody Chamber* including targeted analysis of the stories of Red Riding Hood Bluebeard Puss in Boots Beauty and the Beast Sleeping Beauty and Cinderella Hennard demonstrates how even before *The Bloody Chamber* Carter intervened in the fairy tale debate of the late 1970s by reclaiming Perrault for feminist readers when she discovered that the morals of his worldly tales lent themselves to her own materialist and feminist goals Hennard argues that *The Bloody Chamber* can therefore be seen as the continuation of and counterpoint to *The Fairy Tales of Charles Perrault* as it explores the potential of the familiar stories for alternative retellings While the critical consensus reads into Carter an imperative to subvert classic fairy tales the book shows that Carter valued in Perrault a practical educator as well as a proto folklorist and went on to respond to more hidden aspects of his texts in her rewritings *Reading Translating Rewriting* is informative reading for students and teachers of fairy tale studies and translation studies [The American News Trade Journal](#), 1928 **Book Bulletin**, 1920 *Book Chat* William George Jordan, Adr Schade van Westrum, 1892 **The Academy and Literature**, 1884 **Books for Kids: Beauty and the Beast (Revision Edition)**
