The Greatest Cult Television Shows of All Time Christopher J. Olson, Carrie Lynn D. Reinhard, 2020-05-29 Reaching back to the beginnings of television The Greatest Cult Television Shows offers readers a fun and accessible look at the 100 most significant cult television series of all time compiled in a single resource that includes valuable information on the shows and their creators While they generally lack mainstream appeal cult television shows develop devout followings over time and exert some sort of impact on a given community society culture or even media industry Cult television shows have been around since at least the 1960s with Star Trek perhaps the most famous of that era However the rise of cable contributed to the rise of cult television throughout the 1980s and 1990s and now with the plethora of streaming options available more shows can be added to this categorization Reaching back to the beginnings of television the book includes such groundbreaking series as *The Twilight Zone* and *The Prisoner* alongside more contemporary examples like *Crazy Ex Girlfriend* and *Hannibal* The authors provide production history for each series and discuss their relevance to global pop culture To provide a more global approach to the topic the authors also consider several non-American cult TV series including British Canadian and Japanese shows Thus Monty Python's *Flying Circus* appears alongside *Sailor Moon* and *Degrassi Junior High* Additionally to move beyond the conception of cult as a primarily white heteronormative fanboy obsession the book contains shows that speak to a variety of cult audiences and experiences such as *Queer as Folk* and *Charmed* With detailed arguments for why these shows deserve to be considered the greatest of all time Olson and Reinhard provide ideas for discussion and debate on cult television Each entry in this book demonstrates the importance of the 100 shows chosen for inclusion and highlights how they offer insight into the period and the cults that formed around them

*From Mouse to Mermaid* Elizabeth Bell, 1995-11 *From Mouse to Mermaid* an interdisciplinary collection of original essays is the first comprehensive critical treatment of Disney cinema Addressing children's classics as well as the Disney affiliates more recent attempts to capture adult audiences the contributors respond to the Disney film legacy from feminist marxist poststructuralist and cultural studies perspectives The volume contemplates Disney's duality as an American icon and as an industry of cultural production created in and through fifty years of filmmaking The contributors treat a range of topics at issue in contemporary cultural studies the

performance of gender race and class the engendered images of science nature technology family and business The compilation of voices in *From Mouse to Mermaid* creates a persuasive cultural critique of Disney's ideology The contributors are Bryan Attebery Elizabeth Bell Claudia Card Chris Cuomo Ramona Fernandez Henry A Giroux Robert Haas Lynda Haas Susan Jeffords N Soyini Madison Susan Miller Patrick Murphy David Payne Greg Rode Laura Sells and Jack Zipes

**Debating Disney** Douglas Brode, Shea T. Brode, 2016-06-30 With stakes in film television theme parks and merchandising Disney continues to be one of the most dominant forces of popular culture around the globe Films produced by the studio are usually blockbusters in nearly every country where they are released However despite their box office success these films often generate as much disdain as admiration While appreciated for their visual aesthetics many of these same films are criticized for their cultural insensitivity or lack of historical fidelity In *Debating Disney* Pedagogical Perspectives on Commercial Cinema Douglas Brode and Shea T Brode have assembled a collection of essays that examine Disney's output from the 1930s through the present day Each chapter in this volume represents the conflicting viewpoints of contributors who look at Disney culture from a variety of perspectives Covering both animated and live action films as well as television programs these essays discuss how the studio handles social issues such as race gender and culture as well as its depictions of science and history Though some of the essays in this volume are critical of individual films or television shows they also acknowledge the studio's capacity to engage audiences with the quality of their work These essays encourage readers to draw their own conclusions about Disney productions allowing them to consider the studio as the hero as much as the villain in the cultural deliberation *Debating Disney* will be of interest to scholars and students of film as well as those with an interest in popular culture
