Beauty's Punishment Format Audio:

The Essential Elizabeth Montgomery Herbie J Pilato, 2013-10-07 Bewitched star Elizabeth Montgomery was one of the most prolific and popular actresses of the twentieth century. In her more than five hundred appearances on television, film, and the stage, Elizabeth Montgomery's talent, charisma, and personality have charmed millions for decades. This delightful new book delineates, dissects, and celebrates the diversity and minutia of Montgomery's remarkable career while chronicling just how much her real life spilled into her historic roles on stage and screen. The book is based on Pilato's exclusive interviews with the actress and supplemented with commentary provided by myriad entertainment professionals, journalists, and media and classic TV historians, including the Oscar-nominated actress Juanita Moore, Montgomery's co-star from the historic *White Lie* episode of *TV's 77 Sunset Strip*, and producer/writer/actor Jimmy Lydon, Elizabeth's co-star from the *Wagon Train* episode *The Victorio Bottecelli Story*. Including plot summaries, airdates, release dates, and behind-the-scenes notes and anecdotes of select performances, *The Essential Elizabeth Montgomery* is the ultimate handy, entertaining, and informative reference to the on and off-screen adventures of one of the world's most beloved stars. **The Publishers Weekly**, 1997. *Wheelock's Latin, 7th Edition* Frederic M. Wheelock, Richard A. LaFleur, 2011-08-16 Generations of students have learned Latin with this classic introductory textbook that remains the most highly regarded and bestselling single volume of its kind. Wheelock's *Latin 7th Edition* retains its signature core of authentic Latin readings curated from the works of Cicero, Vergil, and other major Roman authors of classical literature, drama, and poetry, as well as inscriptions, artifacts, and even authentic graffiti that demonstrate the ancient Romans' everyday use of Latin. Latin as a living language. With expanded English-Latin, Latin-English vocabulary sections, tightly retooled comprehension and discussion questions, self-tutorial exercises, translation tips, etymological aids, maps, and dozens of photos and illustrations that capture aspects of classical culture and mythology, Wheelock's *Latin 7th Edition* is the essential resource for students beginning their journey into the heart of the classical world. *Wheelock's Latin 7th Edition* Richard A. LaFleur, 2011-06-07 For nearly sixty years, Wheelock's *Latin* has remained the *opitmus liber* of beginning Latin textbooks. When Professor Frederic M. Wheelock's *Latin* first appeared in 1956, the reviews extolled its thoroughness, organization, and conciseness. One reviewer predicted that the book might well become the standard text for introducing students to elementary Latin. Now, nearly six decades later, that prediction has certainly proved accurate. This new edition of Wheelock's *Latin* has all of the features many of them improved and expanded that have made it the bestselling single-volume beginning Latin textbook: 40 chapters with grammatical explanations and readings drawn from the works of Rome's major prose and verse writers; self-tutorial exercises, each with an answer key for independent study; an extensive English-Latin, Latin-English vocabulary section; a rich selection of original Latin readings, unlike other Latin textbooks which contain primarily made-up texts; etymological aids, maps, and dozens of images illustrating aspects of the classical culture and mythology presented in the chapter readings. Also included are expanded notes on the literary passages.
