Beaver Tales:

A Beaver'S Tale Mark Joseph Rogers,2016-06-21 After being picked on by bullies and gang members Chip a young beaver embarks on a mission to discover if the old myths his grandfather has been telling him are true He meets and comes to rely on a host of new friends during his journey to find the great hall of the council The group deciphers an ages old message underscoring an upcoming event that greatly affects everyones future Chip returns home and finds the leadership has shifted As he tries to explain the urgency to build a new stronger dam to protect their home Chips naysayers continue to harass him But Chips wise grandfather believes in the young beaver and what he can accomplish A picture book for all ages A Beavers Tale shares a tale of bravery and standing up to bullies as Chip works to unite and save his community

American Myths, Legends, and Tall Tales Christopher R. Fee,Jeffrey B. Webb,2016-08-29 A fascinating survey of the entire history of tall tales folklore and mythology in the United States from earliest times to the present including stories and myths from the modern era that have become an essential part of contemporary popular culture Folklore has been a part of American culture for as long as humans have inhabited North America and increasingly formed an intrinsic part of American culture as diverse peoples from Europe Africa Asia and Oceania arrived In modern times folklore and tall tales experienced a rejuvenation with the emergence of urban legends and the growing popularity of science fiction and conspiracy theories with mass media such as comic books television and films contributing to the retelling of old myths This multi volume encyclopedia will teach readers the central myths and legends that have formed American culture since its earliest years of settlement Its entries provide a fascinating glimpse into the collective American imagination over the past 400 years through the stories that have shaped it Organized alphabetically the coverage includes Native American creation myths tall tales like George Washington chopping down his father s cherry tree and the adventures of King of the Wild Frontier Davy Crockett through to today s urban myths Each entry explains the myth or legend and its importance and provides detailed information about the people and events involved Each entry also includes a short bibliography that will direct students or interested general readers toward other sources for further investigation Special attention is paid to African American folklore Asian American folklore and the folklore of other traditions that are often overlooked or marginalized in other studies of the topic

Beavers Frank Rosell,Róisín Campbell-Palmer,2022-01-07 Beavers are represented by two extant species the Eurasian beaver *Castor fiber* and the North American beaver *Castor canadensis* each has played a significant role in human history and dominated wetland ecology in the northern hemisphere Their behaviour and ecology both fascinate and perhaps even infuriate but seemingly never fail to amaze Both species have followed similar histories from relentless persecution to the verge of extinction largely through hunting followed by their subsequent recovery and active restoration which is viewed by many as a major conservation success story Beavers have now been reintroduced throughout Europe and North America demonstrating that their role as a keystone engineer is now widely recognised with proven abilities to increase the

complexity and biodiversity of freshwater ecosystems What animals other than humans can simultaneously act as engineers forest workers carpenters masons creators of habitats and nature managers Over the last 20 years there has been a huge increase in the number of scientific papers published on these remarkable creatures and an authoritative synthesis is now timely This accessible text goes beyond their natural history to describe the impacts on humans conflict mitigation animal husbandry management and conservation Beavers Ecology Behaviour Conservation and Management is an accessible reference for a broad audience of professional academics especially carnivore and mammalian biologists researchers and graduate students governmental and non governmental wildlife bodies and amateur natural historians intrigued by these wild animals and the extraordinary processes of nature they exemplify *Folk-tales of Salishan and Sahaptin Tribes* Franz Boas,1917 Six Pend d Oreille tales related by Michel Revais Coyote wren and grouse snake monster mountain sheep and Skukula man *Wigwam Tales* Charles Edward Brown,1930 **Inconstant Companions** Ronald J.
