My Heart Beats for You Tina Marie,2022-03-29 Sometimes even true love isn t enough to prevent bad choices Meet Inaya a good girl who made some hard choices to keep her daughter safe Inaya s life is a total wreck but she is trying her best to keep her head above water for her four year old daughter Kadia When she bumps into her new neighbor Phantom she can t get him off her mind or out of her heart Phantom is tall handsome and a complete jerk He thinks all women are in one category the one marked no good and he s not afraid to express that to any woman who crosses his path He likes Kadia because she reminds him of his little girl but he works hard at being mean to her mother Slowly his heart begins to soften a little Maybe Inaya is different from all the other women he has known He realizes he loves her but women from his past and present continue to threaten what Phantom and Inaya are building One bad decision on his part threatens their relationship and the consequences leave Kadia in danger Meet Lox son of a Jamaican Don a ladies man who even takes these chicks to dinner and a movie sometimes Fate brings Lox s first love Sahnai back into his life He never stopped loving her even after she disappeared from his life for reasons unknown to him Sahnai is accustomed to using her looks to get what she wants from men When she sees Lox after all these years she is happy to see the only man she has ever loved but she s having a hard time letting him in her life again She knows her secrets are enough to make him hate her and take away the one thing she cherishes the most After Lox sees that Sahnai is still a hothead who is not ready to grow up he decides to walk away for good until events out of his control may change his plans

Because it Makes My Heart Beat Faster Peter Michael Rosenberg,1995

Periagoge - Theory of Singularity and Philosophy as an Exercise of Transformation Guido Cusinato,2023-11-07 This book returns to the question at the center of our existence a question that the narcissistic culture in which we are immersed systematically tends to remove Why The underlying thesis is that the answer must not be sought in success or social recognition but in a fragment of truth hidden somewhere inside each of us which reveals itself only if we detach ourselves from our ego and its certainties It is not therefore a matter of finding yet another philosophical theory of the meaning of existence but rather of shedding light on the

conditions under which such meaning can emerge The author shows us that the ultimate source of our existential orientation lies in the affective sphere and that the current crisis of orientation is derived from the atrophy of the process of affective maturation on a large scale and from a lack of knowledge and experience about which techniques are best to reactivate it We are like glowworms that had once unlearned how to illuminate and have since begun to hover around the magic lantern of the ascetic ideal already criticized by Nietzsche and then around neon advertising signs We are glowworms that have forgotten that we have within our own affective structure a precious source of orientation The basic thesis is that this source of orientation can be reactivated through the care of desire and practices of emotional sharing

When music lives inside Kal Burgess, 2024-09-11 *When music lives inside you the shadow dims* is a lyrical view of life From being a young teenager through to adulthood Music releases the bonds of childhood trauma and brings awareness to the soul to grow From the pain of falling in and out of love lyrics guide Tobika to become more than a scared and confused child She blossoms she falls down she survives She can allow herself to become Kal the true woman she should be The message is to keep striving to allow yourself the freedom to stand in the light and force the past shadows back into the darkness
