Because They Were Jews:

Eichmann's Jews Doron Rabinovici, 2014-11-06 The question of the collaboration of Jews with the Nazi regime during the persecution and extermination of European Jewry is one of the most difficult and sensitive issues surrounding the Holocaust How could people be forced to cooperate in their own destruction Why would they help the Nazi authorities round up their own people for deportation manage the collection points and supervise the people being deported until the last moment This book is a major new study of the role of the Jews and more specifically the Judenrat or Jewish Council in Holocaust Vienna It was in Vienna that Eichmann developed and tested his model for a Nazi Jewish policy from 1938 onwards and the leaders of the Viennese Jewish community were the prototypes for all subsequent Jewish councils By studying the situation in Vienna it is possible to gain a unique insight into the way that the Nazi regime incorporated the Jewish community into its machinery of destruction Drawing on recently discovered archives and extensive interviews Doron Rabinovici explores in detail the actions of individual Jews and Jewish organizations and shows how all of their strategies to protect themselves and others were ultimately doomed to failure His rich and insightful account enables us to understand in a new way the terrible reality of the victims plight faced with the stark choice of death or cooperation many chose to cooperate with the authorities in the hope that their actions might turn out to be the lesser evil **The Life and Suffering**

[The Jewish Writings](#) Hannah Arendt, 2008-02-26 Although Hannah Arendt is not primarily known as a Jewish thinker she probably wrote more about Jewish issues than any other topic As a young adult in Germany she wrote about German Jewish history After moving to France in 1933 she helped Jewish youth immigrate to Palestine During her years in Paris her principle concern was the transformation of antinomianism from prejudice to policy which would culminate in the Nazi final solution After France fell Arendt escaped from an internment camp and made her way to America There she wrote articles calling for a Jewish army to fight the Nazis After the war she supported the creation of a Jewish homeland in a binational Arab Jewish state of Israel Arendt's original conception of political freedom cannot be fully grasped apart from her experience as a Jew In 1961 she attended Adolf Eichmann's trial in Jerusalem Her report Eichmann in Jerusalem provoked an immense controversy which culminated in her virtual excommunication from the worldwide Jewish community Today that controversy is the subject of serious re evaluation especially among younger people in the United States Europe and Israel The publication of [The Jewish Writings](#) much of which has never appeared before traces Arendt's life and thought as a Jew It will put an end to any doubts about the centrality from beginning to end of Arendt's Jewish experience *Iraq's Last Jews* T. Morad, D. Shasha, 2008-10-27 *Iraq's Last Jews* is a collection of first person accounts by Jews about their lives in Iraq's once vibrant 2500 year old Jewish community and about the disappearance of that community in the middle of the 20th century This book tells the story of this last generation of Iraqi Jews who both reminisce about their birth country and describe the
