## Beckett On File:

**Beckett on File** Virginia Cooke,2021-05-19 This book first published in 1985 assembles essential facts on Samuel Beckett and makes vital but elusive information available It contains a comprehensive checklist of all the writer s plays with a detailed performance history excerpted reviews and most importantly a selection of Beckett s own comments on their work drawn from essays interviews letters and diaries Other features include a chronology of life and work a checklist of non dramatic writings and an annotated bibliography *Dear Mr. Beckett: Letters from the Publisher* Barney Rosset,2016-10-01 Preface by Paul Auster Foreword by Edward Beckett Edited by Lois Oppenheim Curated by Astrid Myers Rosset You know Barney I think my writing days are over Beckett writes in 1954 when most of his output was still ahead of him And later Sick of all this old vomit and despair more and more of ever being able to puke again In a world where writers switch publishers at the first shake of a martini pitcher our trans Atlantic communications seemed to float on a sea of tranquility and trust from Dear Mr Beckett Through letters contracts photos interviews speeches reviews and memorabilia most of which has never before been made public a rare personal and professional friendship unfolds between these two oddly shy daredevils through their embrace they shifted and turned the tide of literature in America Among the many never before published entries Beckett s discussion about acting with his long time director Alan Schneider as they huddled with Barney Rosset in his East Hampton quonset hut about their upcoming rehearsal with Buster Keaton Susan Sontag correspondence on her Godot production in Sarajevo The comprehensive Endgame file about the controversial production in Cambridge Mass which proceeded against Beckett s wishes Interviews with Eugene Ionesco and Alain Robbe Grillet about Beckett and Rosset and the Absurdist Estelle Parsons correspondence with Beckett about the actress s proposal to perform Godot with Shelley Winters on Broadway Comprehensive file on the genesis and development of Beckett s Rockaby with Billie Whitelaw Comprehensive file on Rosset s termination from Grove the press he founded and championed *Dear Mr. Beckett* Barney Rosset,2017 Through letters contracts photos interviews speeches reviews and memorabilia most of which has never before been made public a rare personal and professional friendship unfolds between these two oddly shy daredevils shifting and turning the tide of literature in America Barney Rosset more than any other publisher fiercely advocated for the most daring and influential writers of the 20th century Through his Grove imprint whole generations have embraced some of the greatest playwrights of our time including Genet Pinter Mamet Ionesco D H Lawrence and of course Samuel Beckett Scholars students and fans of literary letters will find this volume beguiling reading Publisher Beckett's afterlives Jonathan Bignell,Pim Verhulst,Anna McMullan,2023-02-21 Despite the steady rise in adaptations of Samuel Beckett s work across the world following the author s death in 1989 Beckett s afterlives is the first book length study dedicated to this creative phenomenon The collection employs interrelated concepts of adaptation remediation and appropriation to reflect on Beckett s own evolving approach to crossing genre boundaries and to analyse the ways in which contemporary artists across different

media and diverse cultural contexts including the UK Europe the USA and Latin America continue to engage with Beckett The book offers fresh insights into how his work has kept inspiring both practitioners and audiences in the twenty first century operating through methodologies and approaches that aim to facilitate and establish the study of modern day adaptations not just of Beckett but other multimedia authors as well **Samuel Beckett's Legacies in American Fiction** James Baxter,2021-11-30 Samuel Beckett s Legacies in American Fiction provides an overdue investigation into Beckett s rich influences over American writing Through in depth readings of postmodern authors such as Robert Coover Donald Barthelme Thomas Pynchon Don DeLillo Paul Auster and Lydia Davis this book situates Beckett s post war writing of exhaustion and generation in relation to the emergence of an explosive American avant garde In turn this study provides a valuable insight into the practical realities of Beckett s dissemination in America following the author s long standing relationship with the countercultural magazine Evergreen Review and its dramatic role in redrawing the possibilities of American culture in the 1960s While Beckett would be largely removed from his American context this book follows his vigorous albeit sometimes awkward reception alongside the authors and institutions central to shaping his legacies in 20th and 21st century America *Samuel Beckett's Italian Modernisms* Michela Bariselli, Davide Crosara, Antonio Gambacorta, Mario Martino,2024-12-03 In the wake of both Joycean and Dantean celebrations this volume aims to investigate the fecund influence of Italian culture on Samuel Beckett s work with a specific focus on the twentieth century Located at the intersection of historical avant garde movements and a renewed interest in tradition Italian modernism reimaged Italy and its culture projecting it beyond the shadow of fascism Following in Joyce s footsteps Samuel Beckett soon became an attentive reader of Italian modernist authors These had a profound effect on his early work shaping his artistic identity The influence of his early readings found its way also into Beckett s postwar writing and most poignantly in his theatre The contributions in this collection rekindle the debate around Beckett as modernist author through the lenses of Italian culture This study will be of particular interest to students and scholars in theatre and performance studies Italian studies English studies and comparative literature Parliamentary Papers Great Britain.
