

Becketts Ape

Jicheng Xie

Becketts Ape:

Beckett's Ape Daniel Keller,2001-06-05 Becketts Ape is a masterfully crafted play on words that probes the absurdity of the human condition It begins where Godot ends and reads like a novel whose dialogue mimes our humdrum lives It mirrors our fears echoes our need for meaning and points us toward hope in a surprising way Two misfits named Plankton and Eelectron are painting a curb and stoplight on the corner of Life and Death Plankton is a pushy control freak in charge of thinking who orders his sensitive friend around While painting the stoplight and each other they receive urgent phone calls from a boss named HIM We witness apparitions and Eelectrons crucifixion who as a victim of Planktons paint atop the stoplight is entirely yellow Our hero is revived by a goddess named Neutrino who arises from a trashcan The plot thickens as the stoplight changes from green to yellow to red and again to green *Beckett and Animals* Mary Bryden,2013-07-15 This is the first full length study to explore the significance of animals in Samuel Beckett s prose drama and poetry Bringing together an international array of Beckett specialists the collection theorizes a broad spectrum of animal manifestations while focusing on the roles that distinct animal forms play within Beckett s work **Beckett's Laboratory** Corey Wakeling,2021-04-22 Offering fresh studies of Samuel Beckett in pre production in rehearsal as an innovator of the script form and as a speculative director and designer Beckett s Laboratory reconsiders Beckett s stringent approach to stage direction through the lens of the laboratory and reveals his experimentalism with stage representation and composition Wakeling argues that acknowledging Beckett s experimental processes from their composition to their reception is crucial to understanding the innovative representations of humanity that emerged at different stages in Beckett s practice Repositioning Beckett s performance oeuvre in relation to philosophy Wakeling draws upon post dramatic symbolist materialist and post structural understandings of theatre performance to reappraise Beckett s plays as a composition for performance The philosophical underpinnings of Beckett s practices are explored through an eclectic mix of familiar and unexplored contemporary theatre productions and films of Beckett s works including Not I Nacht und Tr ume Happy Days Footfalls and Catastrophe Beckett s Laboratory is a provocative examination of Beckett s experimentalism with the human spectacle and his playful reliance upon the interpretative powers of the actors and audience Becket Sans Frontières Minako Okamuro,2008 SBT A 19 features selected papers from the Borderless Beckett Beckett sans fronti res Symposium held in Tokyo at Waseda University in 2006 The essays penned by eminent and young scholars from around the world examine the many ways Beckett s art crosses borders coupling reality and dream life and death as in Japanese Noh drama or transgressing distinctions between limits and limitlessness humans animals virtual bodies and stones French and English words and silence and the received frameworks of philosophy and aesthetics The highlight of the volume is the contribution by Nobel Laureate J M Coetzee the special guest of the Symposium His article entitled Eight Ways of Looking at Samuel Beckett introduces a variety of novel approaches to Beckett ranging from a comparative analysis of his work and Melville s

Moby Dick to a biographical observation concerning Beckett's application for a lectureship at a South African university. Other highlights include innovative essays by the plenary speakers and panelists Enoch Brater, Mary Bryden, Bruno Clement, Steven Connor, S. E. Gontarski, Evelyne Grossman, and Angela Moorjani, and an illuminating section on Beckett's television dramas. *The Borderless Beckett* renews our awareness of the admirable quality and wide range of approaches that characterize Beckett studies. *Falsifying Beckett* Matthew Feldman, 2014-04-01. The dozen essays brought together here, alongside a newly written introduction, contextualize and exemplify the recent empirical turn in Beckett studies. Characterized above all by recourse to manuscript materials in constructing revisionist interpretations, this approach has helped to transform the study of Samuel Beckett over the past generation. In addition to focusing upon Beckett's early immersion in philosophy and psychology, other chapters similarly analyze his later collaboration with the BBC through the lens of literary history. *Falsifying Beckett* thus offers new readings of Beckett by returning to his archive of notebooks, letters, and drafts. In reassessing key aspects of his development as one of the 20th century's leading artists, this collection is of interest to all students of Beckett's writing, as well as historicist scholars and critics of modernism more generally.

Theatre and Evolution from Ibsen to Beckett Kirsten E. Shepherd-Barr, 2015-03-03. Evolutionary theory made its stage debut as early as the 1840s, reflecting a scientific advancement that was fast changing the world. Tracing this development in dozens of mainstream European and American plays, as well as in circus, vaudeville, pantomime, and missing link performances, *Theatre and Evolution from Ibsen to Beckett* reveals the deep transformative entanglement among science, art, and culture in modern times. The stage proved to be no mere handmaiden to evolutionary science, though often resisting and altering the ideas at its core. Many dramatists cast suspicion on the arguments of evolutionary theory and rejected its claims, even as they entertained its thrilling possibilities. Engaging directly with the relation of science and culture, this book considers the influence of not only Darwin but also Lamarck, Chambers, Spencer, Wallace, Haeckel, de Vries, and other evolutionists on 150 years of theater. It shares significant new insights into the work of Ibsen, Shaw, Wilder, and Beckett, and writes female playwrights such as Susan Glaspell and Elizabeth Baker into the theatrical record, unpacking their dramatic explorations of biological determinism, gender essentialism, the maternal instinct, and the cult of motherhood. It is likely that more people encountered evolution at the theater than through any other art form in the late nineteenth and early twentieth centuries. Considering the liveliness and immediacy of the theater and its reliance on a diverse community of spectators, and the power that entails, this book is a key text for grasping the extent of the public's adaptation to the new theory and the legacy of its representation on the perceived legitimacy or illegitimacy of scientific work. **Samuel Beckett and Technology** Mark Nixon, Einat Adar, Galina Kiryushina, 2021-08-20. This collection of essays is the first comprehensive discussion of the role technology plays in shaping Beckett's trademark aesthetics. *Samuel Beckett and Technology* assembles an innovative and diverse range of scholarly approaches to the topic, which collectively renegotiate our understanding of his work in prose.

theatre film radio and television What emerges from these discussions is the centrality of technology for Beckett's creative imagination a factor that is equally enabling as it is limiting At the same time the book reveals how theories of technology can yield new readings of the way Beckett responds to the conditions of technological modernity As such Beckett's work is examined in its relation to historical and contemporary technologies discourses of technicity and techne post humanism and the digital age [TDR](#), 2007 **Beckett and Beckett** Paulette R. Caram,1994 [Innovation in Samuel Beckett's Fiction](#) Rubin Rabinovitz,1992 Readers often find Beckett's fiction forbidding because he abandons conventional methods and introduces new formal devices In [Innovation in Samuel Beckett's Fiction](#) Rubin Rabinovitz a pre eminent Beckett scholar provides comprehensive descriptions of those devices explains how they are used and clarifies how they contribute to Beckett's underlying ideas As an example Rabinovitz points out that more than 1 000 significant elements recur in Beckett's trilogy of novels *Molloy* *Malone Dies* and *The Unnamable* These emphasize elusive ideas such as the mysterious affinities of thought linking the protagonists in these works or suggestions that different characters represent aspects of a single embryonic persona who is never explicitly described Rabinovitz also discusses Beckett's use of narrative chronology setting characterization allusions mythic parallels and figurative language [Journal of Beckett Studies](#), 1999 **Beckett** Alfred Alvarez,1992 [Beckett](#) John Fletcher,John Spurling,1978 [Beckett and the Voice of Species](#) Eric P.
