Becoming Married:

Becoming Married, Staying Married Marcus Small, 2017-11-10 It's easy to fall in love and to get married. But what does it really mean to be married? And how do you stay married? In *Becoming Married, Staying Married*, couples will be encouraged to see marriage as a process that never ends. Together they will reflect on current realities particular to African American couples. They will also discover nine key principles that are required for healthy marriages, including concepts like self-awareness, flexibility, maturity, and forgiveness. Practical suggestions on how to further enhance each quality are included, in addition to African proverbs and biblical Scripture that relate to marriage. Questions for discussion and reflection are included at the end of each chapter. This insightful resource can be used by African American couples at various stages of their relationship, but it is especially helpful to engaged and newly married couples. A pastor may also choose to use this book as a discussion starter for premarital counseling.

Getting Serious about Getting Married Debbie Maken, 2006 The biblical benefits of marriage and God's command to marry have been severely downplayed in churches today. Maken addresses this issue and prompts men and women to remember the Creator designed humans to feel incomplete without a spouse.

Relationships *Becoming Married* Herbert Anderson, Robert Cotton Fite, 1993-01-01 This book examines the issues surrounding the process of forming the marriage bond and is a delightful mix of sophisticated theology, solid family systems theory, and clear practical guidelines for pastors, all illustrated by numerous wonderful stories. Charles W. Taylor, professor, Church Divinity School of the Pacific, Berkeley, California.

So You're Getting Married H. Norman Wright, 1985 February may be the season of love, but with this new end cap from Regal Books celebrating the gift of love, it can become a year-round event. We have selected titles that are targeted to those in love or seeking to be.

Growing Together Andrew Body, 2005 Provides a structured framework for couples to explore their hopes and expectations of married life together. This guide helps couples to develop a shared understanding of their future together through discussion of key issues on married life.

Getting Ready for the Wedding Zondervan, 2009-07-27 How do we know when we're ready for marriage? What's the secret to having a great engagement? How can we get married without drowning in debt? Where better to turn for answers than those who have gone before: experts in the area of marriage, relationships, and finance who know from experience what it takes to make the days leading up to the wedding and the years that follow a success.
