## **Becoming Better Parents:**

Becoming Better Parents Maurice Balson,1991 Third edition of this guide for parents first published in 1981 Encourages parents to develop a better understanding of their children in dealing with behavioural problems Contains new material on adolescence and step families The author heads the Monash Parent Teacher Education Centre **Becoming Good Parents**

Mufid James Hannush,2012-02-01 **Becoming Good Parents** goes beyond a psychological understanding of parenting to include a deeper explication of the philosophical moral and existential spiritual dimensions of parenting It counters the contemporary notion that parents can be satisfied with simply being good enough in their parenting practices which encourages a sense of complacency Through everyday examples illustrative use of Harper Lee s moral novel *To Kill a Mockingbird* and a reinterpretation of the theoretical viewpoints of psychologists Erik Erikson Heinz Kohut and Rollo May along with philosophers Iris Murdoch and Michael Gelven the author argues that the struggle toward perfection goodness is a natural human impulse Parenting provides an optimal context for the practice of character refinement which can potentially contribute to the psychological and spiritual growth of both parents and children Ultimately the book demonstrates that by becoming good parents we become good persons *Empowering Children Through Great Parenting*

Edward Yeager,2014-11-17 Children are precious gifts who must be cared for and nurtured in a special way if they are to become well adjusted productive and successful members of society in their adult years If you seek a resource that will give you the information you need in order to be the best parent possible and raise healthy smart strong confident and empowered children then this is the book for you In this book the author covers topics such as protecting your child from bullies helping your child to have a strong self concept assessing your parenting style instilling good habits in your children and so much more Purchase this book to access a wealth of information that will help you become the parent of a winner
