Beddybears Im Not Sleepy:

I'm Not Sleepy Susanna Gretz, 1986 While all the other teddy bears are sleepily going off to bed John feels wide awake and wants to play On heavy board pages *I'M Tired & I Need a Nap* Marie S. Herder, 2017-03-27 This book is the unpolished view into the life of one little family in the South The words are an honest reminder as to why some animals eat their young and why all parents pray for sudden lightning or magic fairy dust to render spontaneous combustion possible at least once a day until all their children move away It is also kept as a meticulous record by one Southern momma diary of all the reasons she prays her grandchildren turn out just like her own precious offspring *Teddy Bears and Tombstones* K.R. Serbatoio, 2017-09 In *Teddy Bears and Tombstones* childembryo captivates the reader with childhood photos and poetry She documents what life was like growing up to be hurt by the people who were meant to love and protect you *The Only Thing That Lasts: A Novel* Tyler R. Tichelaar, 2009-03 *The Only Thing That Lasts* is written as the autobiography of Robert O Neill the famous novelist first introduced in *The Marquette Trilogy* As a young boy during World War I Robert is forced to leave his South Carolina home to live in Marquette with his grandmother and aunt He finds there a cold climate but many warmhearted friends as he matures into adulthood and becomes a famous writer *The Only Thing That Lasts* is a joyful lighthearted yet meaningful story of home and hearth Mr Tichelaar says of this work *The Only Thing That Lasts* is the first novel I ever wrote I wanted to write an old fashioned novel in the style of Louisa May Alcott or L Frank Baum s Aunt Jane s Nieces or even Marquette s own Carroll Watson Rankin whose *Dandelion Cottage* first made Marquette the setting for a novel ***The Sweet By and By*** Todd Johnson, 2009-02-17 I want you to know something if you don t already Life is choosing whom and what you love Everything else follows Among the longleaf pines and family farms of eastern North Carolina days seem to pass without incident for Margaret Clayton and Bernice Stokes until they discover each other in a friendship that will take them on the most important journey of their lives Margaret droll and whip smart has a will of iron that never fails her even when her body does while Bernice an avid country music fan is rarely lucid Irreverent and brazen at every turn they make a formidable pair at the home where they live breaking all the rules and ultimately changing the lives of those around them Lorraine their churchgoing God questioning nurse both protects and provokes them while they are under her watchful eye as her daughter April bright and ambitious determinedly makes her way through medical school Rounding out the group of unlikely and often outrageous friends is Rhonda the Bud swilling beautician who does the ladies hair on her day off and whose sassy talk hides a vulnerable heart one that finally opens to love Weaving this tightly knit and compelling novel in alternating chapters each woman gets to tell her story her own way as all five learn to reconcile troubled pasts find forgiveness choose hope and relish the joy of life Rich with irresistible characters whose uniquely musical voices overflow the pages *The Sweet By and By* is a testament to the truth that the most vibrant lives are not necessarily the most visible ones ***Bear Awareness*** Brahm, 2017-11-14 In *Bear Awareness* English monk Ajahn Brahm answers actual questions from his

meditation students questions you may have had as well While most mindfulness meditation teachers praise the benefits of bare awareness he teaches bear awareness He helps us make friends with the scary things that come up on the cushion and he knows how to lift the mood with a well placed stuffed teddy or a well timed pun *The Saturday Evening Post* ,1925
