Beast Forms:

The Genesis Beast Gerald Lattocha Jr,2022-12-05 The reading of Will Smythe's will was supposed to be a somber event. In his youth Will had almost disavowed his relatives and decided to have a reading of his will before he died of cancer. It should have been noticed that Will's intent was anything but honorable but upon signing of the will it would be revealed just how far Will would go to reach immortality. Unknown to Will's guests he had a deadly secret. Now the guests would have to find a way to beat the mysterious and ferocious Genesis Beast. So what form will the Genesis Beast be next? A crocodile? A T Rex? It was a creature that could turn into any form of prehistoric carnivore and generate its optimum hunting environment. So would the guests survive this horrible creature or would they all succumb to the nature of the beast and give William his total immortality? Can they find a way to beat it? Only by reading this story can one discover this outcome and find out the thrilling outcome of a good versus evil plot.

The Monsters Know What They're Doing Keith Ammann,2019-10-29 The revised and expanded edition of must have R A Salvatore 1 New York Times bestselling author The Monsters Know What They're Doing an essential guide for all Dungeons Dragons Dungeon Masters updated to include the latest rules. In the course of a Dungeons Dragons game a Dungeon Master has to make one decision after another in response to player behavior and the better the players the more unpredictable their behavior. It's easy for even an experienced DM to get bogged down in on the spot decision making or to let combat devolve into a boring slugfest with enemies running directly at the player characters and biting bashing and slashing away. In The Monsters Know What They're Doing Keith Ammann lightens the DM's burden by helping you understand your monsters abilities and develop battle plans before your D D game session begins. Just as soldiers don't whip out their field manuals for the first time when they're already under fire a DM shouldn't wait until the player characters have just encountered a dozen bullywugs to figure out how they advance fight and retreat. Easy to read and apply and now updated with the latest rules. The Monsters Know What They're Doing is essential reading for every DM.

Falling in Love with the King of Beasts AimeeLynn, Elia is a poor university student until the night she's taken to the world of the Anima ruled by humans whose ancient hearts pulse with the blood of animals. There she's forced into a battle to the death. But when Elia survives and refuses to kill her final opponent the King must either kill Elia himself or take her as his mate. Reth the brutal King of the Beasts with the blood of lions shocks everyone when he chooses the weak human Elia to become his Queen. He promises her every comfort of his wealth and position but he is clear. She will not warm his bed. He chose her to defeat those that were trying to corner him into blending his Leonine line with the Wolves. Elia needs the help of the Anima to become stronger and rule them well. But the vengeful Wolves see only a weak human that brought them shame. As Elia and

Reth grow closer the wolves are determined to destroy her Will Reth and Elia admit their feelings for each in time to fight for the Kingdom and their lives against the villainous wolf tribe Or will the wolves kill Elia and steal the throne Mature content no sexual violence He stalked towards her chin low so the shadow cast by his hard jaw cut across the thick fur collar of his vest His hair had fallen over his eyes in the scuffle so he peered at her through it like a lion in the grass With each step his graceful rolling gait reminded her of a predator stalking its prey Despite the forest floor littered in twigs and leaves he didn't make a sound Wh who are you Elia stammered backing away her hands up He met her step for step until she came up hard against the tree behind her and didn't stop until he loomed over her so broad his shoulders and chest made a wall in front of her She could feel the heat rising off his skin in the cool night air I am the Leonine King His voice was a dark husky gravel Behind him a chorus of wheezes howls and chirps of agreement rose from the people watching And you are Elia she breathed Elia he growled leaning in closer bringing with him the scent of pine and rain and the musk of something distinctly male I am Reth He said the name with a strange guttural roll in his throat I am King of Beasts I am Clan Leader and I am Alpha of WildWood Several snarls rose from the crowds behind him then but he ignored them Elia swallowed as he leaned in until the scruff on his jaw rasped her cheek I am the King he said And you will be my mate The forest behind him erupted Cover Art used by permission Illustrated by Aenaluck see more gorgeous art and support them on www.patreon.com/aenaluck
