# Beat The Competition

**Eugène Buttigieg**

## **Beat The Competition:**

*Beat the Competition* Ian Gordon,1989      **Golf Illustrated** ,1899      Hazell's Annual ,1908      Golf ,1890      *The Cavalry Journal* ,1927      *Competition Law* Eugène Buttigieg,2009-05-19 Although it is commonly assumed that consumers benefit from the application of competition law this is not necessarily always the case Economic efficiency is paramount thus competition law in Europe and antitrust law in the United States are designed primarily to protect business competitors and in Europe to promote market integration and it is only incidentally that such law may also serve to protect consumers That is the essential starting point of this penetrating critique The author explores the extent to which US antitrust law and EC competition law adequately safeguard consumer interests Specifically he shows how the two jurisdictions have gone about evaluating collusive practices abusive conduct by dominant firms and merger activity and how the policies thus formed have impacted upon the promotion of consumer interests He argues that unless consumer interests are directly and specifically addressed in the assessment process maximization of consumer welfare is not sufficiently achieved Using rigorous analysis he develops legal arguments that can accomplish such goals as the following replace the economic theory of consumer welfare with a principle of consumer well being build consumer benefits into specific areas of competition policy assess competition cases so that income distribution effects are more beneficial to consumers and control mergers in such a way that efficiencies are passed directly to consumers The author argues that in the last analysis the promotion of consumer well being should be the sole or at least the primary goal of any antitrust regime Lawyers and scholars interested in the application and development and reform of competition law and policy will welcome this book They will find not only a fresh approach to interpretation and practice in their field comparing and contrasting two major systems of competition law but also an extremely lucid analysis of the various economic arguments used to highlight the consumer welfare enhancing or welfare reducing effects of business practices

**Meeting Mail Order Competition** Frank Farrington,1922      **Motor Record** ,1923      **An Introductory Guide to EC Competition Law and Practice** Valentine Korah,1994      Breaking Through Competition Ray Giles,1926      **The Pioneer Mail and Indian Weekly News** ,1920      *Eton College Chronicle* Eton College,1898      **Forest and Stream** ,1895      **St. George's Gazette** ,1909      The North-China Herald & Supreme Court & Consular Gazette ,1912      **Chess Player's Chronicle** ,1886      United Services and Empire Review ,1926      *The Sportsman's Year-book* ,1899      **The Sportsman's Year-book** C.
