The Beatles Beatles,2016-10 Recorder This book for recorder features E Z Play Today notation for 8 hits from the Fab Four All My Loving Get Back I Feel Fine Lady Madonna Nowhere Man She Loves You Yellow Submarine Yesterday Includes easy instructions with a fingering chart to get even absolute beginners playing How Not To Get Old Jane Gordon,2020-05-07 A jolly quest to make the greying years more colourful The Times When journalist Jane Gordon was hospitalised and left immobile after a nasty car accident dependent on others to feed her and help her to the bathroom she suddenly had to confront what it might be like to one day be old and infirm Determined to not only regain her strength but find ways to stay physically and mentally fit for as long as possible Jane decided to road test different self help programmes designed to promote longevity From ballroom dancing to brain training learning a second language to silent meditation joining the gym and improving her gut health Jane seeks advice from top neuroscientists and medical professionals to assess the impact these courses have on her health and whether they will stop her getting old before her time Part self help part manifesto How Not To Get Old is about future proofing your physical and mental wellbeing and taking control of the ageing process rather than wallowing in it For what begins as a clever experiment in the art of stopping time becomes a joyous celebration of what we CAN do not what we can t or shouldn t and ultimately demonstrates how later life is still very much for living **Shake It Up, Baby!** Ken McNab,2024-05-07 A vivid captivating account of the Beatles s musical transformation throughout the pivotal year of 1963 as the world became caught up in the maelstrom of Beatlemania and its far reaching cultural impact The Beatles broke up more than half a century ago yet millions around the globe are still drawn

to the legacy of four lads from Liverpool From the carefree innocence of A Hard Day s Night to the experimental psychedelia of Lucy In The Sky With Diamonds their message of love peace and hope still resonates In Shake It Up Baby we go back to the start to 1963 when they went from playing in small clubs in the remote Scottish Highlands to four number one singles two number one albums three national tours and being besieged by thousands of fans at gigs all over Britain Ken McNab tells the story through gripping exclusive eye witness accounts from those who were there the Beatlemaniaacs the journalists broadcasters and television producers who were scrambling to make sense of it all and the other bands who could only watch in awe as the Beatles went from bottom of the bill to headline act to the biggest band on the planet forever transforming musical history

The British Catalogue of Music ,2002 **Music and Protest in 1968** Beate Kutschke,Barley Norton,2013-04-25 Music was integral to the profound cultural social and political changes that swept the globe in 1968 This collection of essays offers new perspectives on the role that music played in the events of that year which included protests against the ongoing Vietnam War the May riots in France and the assassination of Martin Luther King Jr From underground folk music in Japan to antiauthoritarian music in Scandinavia and Germany Music and Protest in 1968 explores music s key role as a means of socio political dissent not just in the US and the UK but in Asia North and South America Europe and Africa Contributors extend the understanding of musical protest far beyond a narrow view of the protest song to explore how politics and social protest played out in many genres including experimental and avant garde music free jazz rock popular song and film and theatre music

The Beatles and the Beatlesque: A Crossdisciplinary Analysis of Sound Production and Stylistic Impact Dario Martinelli,Paolo Bucciarelli,2023-07-30 The Beatles and the Beatlesque address a paradox emanating from The Beatles music through a cross disciplinary hybrid of reflections drawing from both musical practice itself and academic research Indeed despite their extreme stylistic variety The Beatles songs seem to always bear a distinctive identity that emerges even more in similar works by other artists whether they are merely inspired derivative or explicitly paying homage The authors a musicologist and music producer emphasize the importance of record production in The Beatles music in a way that does justice not only to the final artifacts the released songs but also to the creative process itself i e the songs in the making Through an investigation into the work of George Martin and his team as well as The Beatles themselves this text sheds light on the role of the studio in shaping the group s eclectic but unique sound The chapters address what makes a song Beatlesque to what extent production choices are responsible for developing a style production being understood not as a mere set of technicalities but also in a more conceptual way as well as the aesthetics semiotics and philosophy that animated studio activity The outcome is a book that will appeal to both students and researchers as well as of course musicophiles of all kinds
