Beatles Postcards:

Postcards from the Boys Ringo Starr,2004-09-09 Whenever John Paul or George went on a trip they would send Ringo a postcard Now for the first time Ringo Starr is opening his private archive to share this delightful and very intimate correspondence Whether it s John advising Ringo to record a great simple song like Blondie s Heart of Glass Paul and Jane Asher dropping a note from Rishikesh to report on their meditation lessons with the Maharishi or George writing from the Great Barrier Reef to confirm plans for Christmas dinner each postcard is a warm and personal snapshot of life in and after The Beatles The 51 postcards many of which are covered in whimsical drawings are colorfully reproduced both front and back Ringo s droll commentary fills in the blanks though he does confess that at times he had to consult the Internet for details Often funny occasionally bittersweet and always revealing Postcards from the Boys is a must for Beatles lovers
