

# Your Rights as a NonTaxpayer

The first part of this publication explains some of your most important rights as a Nontaxpayer. The second part explains the examination, appeal, collection, and refund processes. This publication is also available in Spanish.

## Declaration of NonTaxpayer Rights

### I. Protection of Your Constitutional Rights

Our NUMBER ONE priority is to humbly obey and respect the Constitutional limits imposed upon the federal government and all federal employees, including IRS employees. We will be ever mindful that we cannot enforce the Internal Revenue Code within states of the Union because it is "legislation" and because the supreme Court said about the legislative power of Congress in respect to such matters:

*"It is no longer open to question that the general [federal] government [including its agents, the IRS], unlike the states, Hammer v. Dagenhart, 247 U.S. 251, 275, 38 S.Ct. 529, 3 A.L.R. 649, Ann.Cas.1915E 724, possesses no inherent power in respect to the internal affairs of the states, and emphatically not with regard to legislation." [Carter v. Carter Coal Co., 298 U.S. 238 (1936)]*

*"The difficulties arising out of our dual form of government and the opportunities for differing opinions concerning the relative rights of state and national governments are many; but for a very long time [including AFTER the passage of the Sixteenth Amendment] this court has steadfastly adhered to the doctrine that the taxing power of Congress does not extend to the states or their political subdivisions. The same basic reasoning which leads to that conclusion, we think, requires like limitation upon the power which springs from the bankruptcy clause, United States v. Butler, supra." [Ashton v. Cameron County Water Improvement District No. 1, 298 U.S. 513; 56 S.Ct. 392 (1936)]*

We will instead explain and protect your Constitutional rights as a nontaxpayer domiciled outside of federal legislative jurisdiction and therefore not subject to the Internal Revenue Code throughout your contact with us. We will not try to deceive you into signing "invisible contracts," like the SS-5, W-4, and 1040 forms. We will not play word games, like silver-tongued President Clinton did with "sex" to try to encourage false presumption that may advantage us. We will do this because we want you to respect and trust your government so that you will WANT to obey what it says because it is in your best interests. Instead, we will make it easy to obey the law by providing unambiguous definitions for words in our publications that even a kindergartner would understand truthfully and accurately. We also agree to be just as accountable for our statements, publications, and advice as you are when you sign a form under penalty of perjury. To expect anything less would be a denial of "equal protection of the law" mandated by Section 1 of the [Fourteenth Amendment](#).

### II. Respecting for Requirement of Consent

We will recognize in every interaction with the Sovereign Americans we serve in the states of the Union, that all of our authority comes from their consent expressed in written positive law. The [Declaration of Independence](#) says that

*"... that to secure these rights, governments are instituted among men, deriving their JUST powers from the consent of the governed."*

We will not attempt to force anyone living in a state of the Union to pay for federal government services that he or she doesn't want and doesn't need, because this amounts to "compelled association", restraint of trade, and government monopoly. Instead, we will pursue the same capitalist business model that every other company that has survived our plunder and extortion has to operate under, whereby people will only be expected to pay for services that they want, so that when government ceases to be efficient, we can privatize the service and eliminate the
