## **Becoming A Playwright:**

**A Practical Guide to Becoming a Playwright** Andrew Biss, 2018-05-15 You won't find a lot of pontificating over Aristotelian theory in this book. What you will find is straightforward practical guidance to help aspiring and early career playwrights hone their craft and steer their plays toward successful productions. While many playwriting books focus solely on stagecraft, this one also examines the nuts and bolts of getting your plays produced. After all, writing a play is one thing, but it won't have fulfilled its purpose until it's been brought to life on a stage. Examining everything from structure, dialogue, and creating well-rounded characters to formatting, writing synopses, and preparing your plays for submission, *A Practical Guide to Becoming a Playwright* offers a comprehensive explanation of the often-challenging process of writing plays and getting them into the hands of producers. Using knowledge and insight gained from more than two decades of writing for the stage and garnering successful productions, award-winning playwright Andrew Biss shares with you everything that he's learned, not from teaching or hypothesizing, but from actually doing. *A Practical Guide to Becoming a Playwright* is your go-to guide for navigating the frequently nebulous world of playwriting and production.

***Becoming a Playwright*** David Campton, 1992 Looks at the basics of becoming a playwright, explaining just what is needed and taking the beginner on a step-by-step journey from getting an idea to having the play staged. David Campton is the author of *Mixed Doubles* and *Timesneeze*.

**How to Become a Professional Playwright... Fast!** Howard Jenkins, 2015-09-02 Do you have dreams of becoming a playwright? You are not alone. Many people have dreams of becoming the next great playwright of our age, but it's no easy task to complete. Millions have tried before and failed. We understand that you don't want to be like them, so this book has been written to help you to succeed. This book is merely the beginning. What you learn from it will be with you throughout your playwriting career. From understanding what goes into a play and how it differs from every other type of writing to getting into the business and making connections, and even learning how to make some real money from what you do. In this publication, you will discover exactly what it takes to become a professional playwright, with all the necessary information to actually make it happen.
