Bedside Racing:

Twins Audrie Futrell, 2011-12-06 Twin girls are born in the backwoods of Kentucky in 1941 Their mother had been left alone while their father went for the doctor On another planet a princess is born alive but dying The two people in charge of the princess work hard to keep her alive when they realize they are not going to be able to do so They retire to a room where they can search for a replacement and the room is set up to retrieve the infant almost immediately Realizing they would need to protect the child from the Kings enemy Barron Zomoff they placed guards on her They knew how desperate the man would become but figured they could handle that But they didn't realize that when they could only find a set of twins born about that time on Earth that they would have the difficulties they did when they kidnapped one of them For the twins refused to be separated either by the distance language or education They didn't understand that the twins would need each other for their own protection or the protection of each of their worlds or people They didn't realize that their families would fight to get them both together They also didn't realize the affect that the powerful pull on both planets would have on the children in powerful ways

Frankie Dettori's British Classic Winners Rupert Collens, 2024-03-08 Frankie Dettori is certainly one of the late twentieth and early twenty first centuries truly great international jockeys Italian by birth he rode his first winner there we have been lucky in England that he came to live in Newmarket aged fifteen and has ridden mainly here A great and popular figure quietly and privately he has done much for disabled people In fact he is a good example by any standards of a superb sportsman on and off the racecourse Perhaps most famous for riding all seven winners at Ascot on 28 September 1996 his record in the English classics over 30 years gives a true indication of his ability and dedication There is no doubt that England's five classic races the 1 000 and 2 000 Guineas which both run in late April early May at Newmarket over a mile the Oaks and Derby which run in early June at Epsom over a mile and a half and the St Leger which runs nearly two miles in mid September at Doncaster are very very important races on the international racing scene Frankie Dettori's record in them is super 23 wins Since 1945 he and Lester Piggott are the only jockeys to ride at least two winners of each of the classics To put Frankie's record into perspective Sir Gordon Richards 26 time champion flat jockey between 1925 and 1953 rode only fourteen classic winners This highly readable but erudite book devotes a double page spread to every winning ride and there is a color section of photographs of him aboard his winning mounts by the famous racing journalist John Crofts Dettori's first classic winner was in the 1994 Oaks at Epsom on Balanchine and his last in 2023 once again in the Oaks on Soul Sister This book is a superb record of greatness in the saddle over 30 years
