Contemporary Theories Of Rhetoric

Stephen W. Littlejohn, Karen A. Foss

Contemporary Theories Of Rhetoric:

Contemporary Rhetorical Theory John Louis Lucaites, Celeste Michelle Condit, Sally Caudill, 1999-01-01 This indispensable text brings together important essays on the themes, issues, and controversies that have shaped the development of rhetorical theory since the late 1960s. An extensive introduction and epilogue by the editors thoughtfully examine the current state of the field and its future directions, focusing in particular on how theorists are negotiating the tensions between modernist and postmodernist considerations. Each of the volume's eight main sections comprises a brief explanatory introduction, four to six essays selected for their enduring significance, and suggestions for further reading. Topics addressed include problems of defining rhetoric, the relationship between rhetoric and epistemology, the rhetorical situation, reason and public morality, the nature of the audience, the role of discourse in social change, rhetoric in the mass media, and challenges to rhetorical theory from the margins. An extensive subject index facilitates comparison of key concepts and principles across all of the essays featured. *Contemporary Theories of Rhetoric* Richard L. Johannesen, 1971

Rhetorical Theory Timothy Borchers, Heather Hundley, 2018-03-30 From the moment we begin to understand the meanings of words and symbols we have used rhetoric. It is how we determine perceptions of who we are, those around us, and the social structure in which we operate. *Rhetorical Theory, Second Edition* introduces a broad selection of classical and contemporary theoretical approaches to understanding and using rhetoric. Historical context reveals why rhetorical theories were created, while present-day examples demonstrate how they relate to the world in which we live. Borchers and Hundley present conceptual topics in a succinct and approachable manner. The text is organized topically rather than chronologically, so similarities and differences are easily detected in central ideas. Each chapter is enhanced by the inclusion of theorist biographies, applications of theory to practice, and Internet exercises. The Second Edition expands coverage on mediated rhetoric, feminist rhetoric, alternative rhetorical theories including Afrocentricity and intersectionality, cultural and critical rhetoric, and postmodern implications of rhetoric. **Contemporary Rhetorical Theory, Second Edition** Celeste Michelle Condit, 2016-08-09 Our purpose here is to provide a brief introduction to the contemporary issues and concerns that have animated the work of rhetorical theorists since the late 1960s, a time of great social, political, and intellectual change. We contextualize the interests and concerns of contemporary rhetorical theorists both historically and conceptually as they have manifested themselves over the past fifty some years. *A Theory of Contemporary Rhetoric* Richard Andrews, 2013-08-22 *A Theory of Contemporary Rhetoric* describes, explains, and argues the overarching theory of contemporary rhetoric. This current view of rhetoric brings together themes in the communication arts, including political, literary, criticism, bi and multi lingualism, multimodality, framing as an artistic and sociological device for composition and interpretation, literacy in the digital age, and the division between fiction and non-fiction in language literature studies. Chapters explore the implications of rhetoric for particular aspects of the field. Discussions throughout the book provide illustrations that ground the material in

practice As an overarching theory in the communication arts rhetoric is elegant as a theoretical solution and simple as a practical one It asks such questions as who is speaking writing composing to whom why what is being conveyed and how is it being conveyed Acknowledging the dearth of recent works addressing the theory of rhetoric this book aims to fill the existing theoretical gap and at the same time move the field of language literature studies forward into new territory It provides the keynote theoretical guide for a generation of teachers teacher educators and researchers in the fields of English as a subject English as a second foreign or additional language and language study in general **Modern Rhetoric in Culture, Arts, and Media** Joachim Knappe, 2012-12-19 The goal of this book is to formulate a modern theoretical approach for rhetorical studies in a variety of disciplines in the humanities media research and other cultural studies The discipline of rhetoric originally concerned itself with linguistic forms of communication and its basic theory was developed with such cases in mind With respect to this ancient tradition there are numerous books that provide a historical overview of the field There is also a wide array of introductory works and research contributions that deal with the practice of political rhetoric On the other hand only a few 20th century academics have attempted to theoretically rehabilitate rhetoric after its decline as an academic discipline in Europe in the 18th and 19th centuries and to give rhetorical theory a modern new and further reaching perspective Two notable examples have been Kenneth Burke and Brian Vickers The book begins with the assumption that rhetoric is not merely limited to linguistic action but rather is present everywhere in the communicative world Against this background this work develops a modern theory of rhetoric and demonstrates in twelve chapters how methodical rhetorical analysis can be done in selected practical fields of application Literature Music Images and Film **The History and Theory of Rhetoric** Luke Winslow, James A. Herrick, 2025-08-19 By tracing the traditional progression of rhetoric from the Greek Sophists to contemporary theorists this updated eighth edition gives students a conceptual framework for evaluating and practicing persuasive writing and speaking in a wide range of settings including written visual and digital media Through an expansive historical purview the book illustrates how persuasive public discourse performs essential social functions and shapes our societies drawing on the ideas of many of history's greatest thinkers and theorists This new edition includes an integrated exploration of non Western rhetorics an updated account of contemporary rhetoric and an enhanced analysis of rhetorical theory in a digital age Known for its clear writing style and contemporary examples throughout The History and Theory of Rhetoric emphasizes the relevance of rhetoric to today's students This revised edition serves as a core textbook for rhetoric courses in both English and communication programs covering both the historical tradition of rhetoric and contemporary rhetoric studies A suite of online resources including a detailed instructor's manual PowerPoint slides and videos from Dr Winslow can be found on the Instructor and Student Resources website at www.routledgelearning.com/historyofrhetoric **The Rise Of Rhetoric And Its Intersection With Contemporary Critical Thought** Omar Swartz, 2019-06-26 This book features contemporary critical and Marxist theories of resistance domination knowledge and systems of ideological

control It offers a balanced discussion of classical and modern theories of rhetoric as well as critical theory **Essays on Classical Rhetoric and Modern Discourse** Robert J. Connors, Lisa S. Ede, Andrea A. Lunsford, 1984 Eighteen essays by leading scholars in English speech communication education and philosophy explore the vitality of the classical rhetorical tradition and its influence on both contemporary discourse studies and the teaching of writing Some of the essays investigate the rhetorical and historical issues Others show the bearing of classical rhetoric on contemporary problems in composition thus blending theory and practice Common to the varied approaches and viewpoints expressed in this volume is one central theme the 20th century revival of rhetoric entails a recovery of the classical tradition with its marriage of a rich and fully articulated theory with an equally efficacious practice A preface demonstrates the contribution of Edward P J Corbett to the 20th century revival and a last chapter includes a bibliography of his works Novantiqua Paolo Valesio, 1980-11-22 This is an important book original erudite useful and ambitious Quarterly Journal of Speech A remarkable book sure to be of lasting interest to be reckoned with by all rhetorical theorists Choice This is the first contemporary attempt at a holistic theory of rhetoric well grounded in the context of cultural and social history Arguing that rhetoric has always been an independent objective essential factor in human interaction Valesio views it as coextensive with human speech in use **Toward a Nietzschean Theory of Rhetoric, the Valuative Interpretation of Discourse and the Reversal of Platonism** Douglas Edward Thomas, 1992 **Contemporary Rhetoric: a Reader's Coursebook**, 1972

Contemporary Perspectives on Rhetoric Sonja K. Foss, Karen A. Foss, Robert Trapp, 2014-04-04 The anniversary edition marks thirty years of offering an indispensable review and analysis of thinkers who have exerted a profound influence on contemporary rhetorical theory I A Richards Ernesto Grassi Chaim Perelman and Lucie Olbrechts Tyteca Stephen Toulmin Richard Weaver Kenneth Burke Jürgen Habermas bell hooks Jean Baudrillard and Michel Foucault The brief biographical sketches locate the theorists in time and place showing how life experiences influenced perspectives on rhetorical thought The concise explanations of complex concepts are clear engaging insightful and highly accessible serving as an excellent primer for reading the major works of these scholars The critical commentary is carefully chosen to highlight implications and to place the theories within a broader rhetorical context Each chapter ends with a complete bibliography of works by the theorists **Protagoras and Logos** Edward Schiappa, 2013-06-14 Reassesses the philosophical and pedagogical contributions of Protagoras Protagoras and Logos brings together in a meaningful synthesis the contributions and rhetoric of the first and most famous of the Older Sophists Protagoras of Abdera Most accounts of Protagoras rely on the somewhat hostile reports of Plato and Aristotle By focusing on Protagoras's own surviving words this study corrects many long standing misinterpretations and presents significant facts Protagoras was a first rate philosophical thinker who positively influenced the theories of Plato and Aristotle and Protagoras pioneered the study of language and was the first theorist of rhetoric In addition to illustrating valuable methods of translating and reading fifth century B C E Greek passages the book marshals

evidence for the important philological conclusion that the Greek word translated as rhetoric was a coinage by Plato in the early fourth century In this second edition Edward Schiappa reassesses the philosophical and pedagogical contributions of Protagoras Schiappa argues that traditional accounts of Protagoras are hampered by mistaken assumptions about the Sophists and the teaching of the art of rhetoric in the fifth century He shows that contrary to tradition the so called Older Sophists investigated and taught the skills of logos which is closer to modern conceptions of critical reasoning than of persuasive oratory Schiappa also offers interpretations for each of Protagoras s major surviving fragments and examines Protagoras s contributions to the theory and practice of Greek education politics and philosophy In a new afterword Schiappa addresses historiographical issues that have occupied scholars in rhetorical studies over the past ten years and throughout the study he provides references to scholarship from the last decade that has refined his views on Protagoras and other Sophists

Encyclopedia of Communication Theory Stephen W. Littlejohn, Karen A. Foss, 2009-08-18 With more than 300 entries these two volumes provide a one stop source for a comprehensive overview of communication theory offering current descriptions of theories as well as the background issues and concepts that comprise these theories This is the first resource to summarize in one place the diversity of theory in the communication field Key Themes Applications and Contexts Critical Orientations Cultural Orientations Cybernetic and Systems Orientations Feminist Orientations Group and Organizational Concepts Information Media and Communication Technology International and Global Concepts Interpersonal Concepts Non Western Orientations Paradigms Traditions and Schools Philosophical Orientations Psycho Cognitive Orientations Rhetorical Orientations Semiotic Linguistic and Discursive Orientations Social Interactional Orientations Theory Metatheory Methodology and Inquiry

Reengaging the Prospects of Rhetoric Mark J. Porrovecchio, 2010-02-25 Reengaging the Prospects of Rhetoric reanimates the debate over the function and scope of rhetoric Providing a contemporary response to the volume *The Prospect of Rhetoric* 1971 this volume reconceptualizes that classic work to address the challenges facing the study of rhetoric today With contributions from today s leading rhetorical scholars *Reengaging the Prospects of Rhetoric* offers response essays to each chapter of the original work Each scholar uses his her essay as a forum in which to address three questions As a historical document why is this essay important In terms of contemporary theory and or practice what is the significance of the essay How can the issues raised therein be profitably addressed in the future These provocative engagements suggest that while the study of rhetoric has gained much ground in the intervening decades there is more work to be done to reestablish the primacy of rhetoric in contemporary society This volume provides students and scholars of rhetoric with a strong foundation in the issues that have shaped contemporary rhetorical theory and criticism It offers them an accessible introduction to the challenges facing future iterations of rhetorical theory and criticism As a standalone text or a supplemental resource for undergraduate and graduate courses in the history theory and criticism of rhetoric or contemporary rhetorical theory it will help to shape rhetoric s future role in communication studies and will foster

interdisciplinary dialogues about the topic **A Reference Guide for English Studies** Michael J. Marcuse,1990-01-01 This ambitious undertaking is designed to acquaint students teachers and researchers with reference sources in any branch of English studies which Marcuse defines as all those subjects and lines of critical and scholarly inquiry presently pursued by members of university departments of English language and literature Within each of 24 major sections Marcuse lists and annotates bibliographies guides reviews of research encyclopedias dictionaries journals and reference histories The annotations and various indexes are models of clarity and usefulness and cross references are liberally supplied where appropriate Although cost conscious librarians will probably consider the several other excellent literary bibliographies in print such as James L Harner s Literary Research Guide Modern Language Assn of America 1989 larger academic libraries will want Marcuse s volume Jack Bales Mary Washington Coll Lib Fredericksburg Va Library Journal **A Conceptual Theory of Rhetoric** Frank J. D'Angelo,1975 **A Dictionary of Greek and Roman biography and mythology** ,1872

Contemporary Perspectives on Rhetoric Karen A. Foss,Robert Trapp,2014 The anniversary edition marks thirty years of offering an indispensable review and analysis of thinkers who have exerted a profound influence on contemporary rhetorical theory I A Richards Ernesto Grassi Cha m Perelman and Lucie Olbrechts Tyteca Stephen Toulmin Richard Weaver Kenneth Burke J rgen Habermas bell hooks Jean Baudrillard and Michel Foucault The brief biographical sketches locate the theorists in time and place showing how life experiences influenced perspectives on rhetorical thought The concise explanations of complex concepts are clear engaging insightful and highly accessible serving as an excellent primer for reading the major works of these scholars The critical commentary is carefully chosen to highlight implications and to place the theories within a broader rhetorical context Each chapter ends with a complete bibliography of works by the theorists

Contemporary Theories Of Rhetoric Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Contemporary Theories Of Rhetoric PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Contemporary Theories Of Rhetoric PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and

publishers who make these resources available. In conclusion, the availability of Contemporary Theories Of Rhetoric free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Contemporary Theories Of Rhetoric Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Contemporary Theories Of Rhetoric is one of the best book in our library for free trial. We provide copy of Contemporary Theories Of Rhetoric in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Contemporary Theories Of Rhetoric. Where to download Contemporary Theories Of Rhetoric online for free? Are you looking for Contemporary Theories Of Rhetoric PDF? This is definitely going to save you time and cash in something you should think about.
