Contemporary Doctrine Classics Church of England. Doctrine Commission, 2005 This volume brings together three classic books from the Church of England's Doctrine Commission We Believe in God 1987 We Believe in the Holy Spirit 1991 and The Mystery of Salvation 1996 Contemporary Doctrine Classics, 2023-03-31 This volume brings together in one compilation three classic books from the Church of England's Doctrine Commission We believe in God 1987 We believe in the Holy Spirit 1991 The mystery of salvation 1996 Stephen Sykes Chair of the Doctrine Commission has provided an extensive foreword and commentary on the three books setting them within their historical context and exploring the theological background to the original publications A comprehensive index has also been incorporated which provides a helpful tool for locating important doctrinal comment by key scholars including Rowan Williams Richard Bauckham Christina Baxter and John Polkinghorne Malaysian Pentecostalism from Classical to Contemporary Eva Wong Suk Kyun, 2026-01-31 The outpouring of the Spirit as prophesied in Joel 2 and fulfilled in Acts 2 has been a phenomenon to behold throughout the history of the church particularly within Pentecostalism Yet the increasing gap between the espoused theology and the current practice of Assemblies of God Malaysia AGM displays the need for a contemporary Pentecostal spirituality for the twenty first century Employing Joel 2 28 32 as an interpretive lens Dr Eva Wong Suk Kyun conducts a systematic and qualitative investigation of AGM's progression from a classical Pentecostal movement to a contemporary Pentecostal church movement The seven key theological themes of the Pentecostal movement's central beliefs and practices which are derived from Joel Acts are presented as the backdrop for the development of the movement's pneumatology wherein the voice of the Spirit is an essential element of AGM's theological missiological ecclesiological and ministerial aspects Presenting a way forward for the next generation Wong emphasizes the need for intentional spiritual discipleship by preserving the Pentecostal distinctives of baptism in the Holy Spirit glossolalia and missions This innovative study offers its readers solid theological foundations and practical insights for a holistic Pentecostal spirituality The New Testament and the Church John Barton, Peter Groves, 2015-12-17 John Barton and Peter Groves present a range of chapters by leading scholarly voices from the worlds of biblical studies and the Church looking at the study of the New Testament within and around the Church and the impact it has had and can have on Christian theology The essays in the volume adopt a style of critical engagement with biblical texts through the prism of a modern and living Church The focus of the volume is thus not only upon the New Testament itself but upon how reading the New Testament is important for dialogue within the Church and within Christian denominations Among the highly distinguished contributors are John Barton Eric Eve Mark Goodacre Christopher Rowland and Rowan Williams The Spirit of Contemporary Chinese Culture Mou Zhongjian, 2025-12-10 This book examines how traditional Chinese values have been adapted and integrated into modern Chinese society It delves into Confucianism and Chinese culture inspecting their underlying tenets and their use in today's world The first part discusses the essence of

Confucian thought and the roles of Confucius and Mencius as central figures. It emphasizes core values such as benevolence, harmony, integrity, and fortitude. The text also details the evolution of Confucianism and the challenges it faces today, offering strategies for its preservation and development. The second part illustrates how Confucian principles can address modern societal issues. This section discusses cultivating the Junzi character, the complementary nature of Confucianism and Daoism in enriching human life, and the role of moral education in shaping individuals with strong ethics. Additionally, it examines the relevance of Confucianism in fostering social harmony and guiding international relations. By bridging historical insights with contemporary relevance, this book demonstrates the enduring vitality of Confucian wisdom in shaping a just and harmonious world. This book will appeal to scholars and students of Chinese philosophy and Confucianism, as well as those interested in Chinese culture.
