E. Jackson, 2021

Reconstructs the constitutive role that German actresses played on and off the stage in shaping not only modernist theater aesthetics and performance practices but also influential strains of modern thought Around 1900 German and Austrian actresses had allure and status apparent autonomy and unconventional lifestyles They presented a complex problem socially and aesthetically one tied to the so called Woman Question and to the contested status of modernity For modernists the actress's socioeconomic mobility and defiance of gender norms opened space to contest social and moral strictures and her mutability offered a means to experiment with identity For conservatives on the other hand female performance could support antifeminist convictions and validate masculine authority by positing woman as nothing but a false surface shaped by productive male forces Influential male authored texts from the period thereby disavowed female subjectivity per se by equating woman and actress S E Jackson establishes the actress as a key figure in a discursive matrix surrounding modernity gender and subjectivity Her central argument is that because the figure of the actress bridged such varied fields of thought women who were actresses had a consequential impact that resonated in and far beyond the theater but has not been explored Examining archival sources such as theater reviews and writing by actresses in direct relation to canonical aesthetic and philosophical texts *The Problem of the Actress* reconstructs the constitutive role that women played on and off the stage in shaping not only modernist theater aesthetics and performance practices but also influential strains of modern thought *The Hooded Eagle* Peter Bauland, 1968 **Two modern German plays** Gerhart Hauptmann, Frank Wedekind, 1951 *A History of Modern Drama, Volume II* David Krasner, 2016-03-31 *A History of Modern Drama Volume II* explores a remarkable breadth of topics and analytical approaches to the dramatic works authors and transitional events and movements that shaped world drama from 1960 through to the dawn of the new millennium Features detailed analyses of plays and playwrights examining the influence of a wide range of writers from mainstream icons such as Harold Pinter and Edward Albee to more unorthodox works by Peter Weiss and Sarah Kane Provides global coverage of both English and non English dramas including works from Africa and Asia to the Middle East Considers the influence of art music literature architecture society politics culture and philosophy on the formation of postmodern dramatic literature Combines wide ranging topics with original theories international perspective and philosophical and cultural context Completes a comprehensive two part work examining modern world drama and alongside *A History of Modern Drama Volume I* offers readers complete coverage of a full century in the evolution of global dramatic literature **Modern German plays** Carl Adolf Buchheim, 1873 *Bertolt Brecht* Bertolt Brecht, 2003-11-26 Long in preparation and in considerable demand here are the essential poems and prose of one of the giants of 20th century world literature Following an authoritative introduction by Reinhold Grimm the volume includes German and English poems on facing pages **Justice in Contemporary German Drama as Seen in Selected Plays** Susan Joyce Fershee, 1968 **The Modern Languages Forum**, 1929
