Contemporary Israeli Literature:

Contemporary Israeli Literature Elliott Anderson, 1977 *Israeli Literature* Amos Oz, 1985 **Contemporary Israeli Women's Writing** Risa Domb, 2008

During the nineteenth and early twentieth century women could not participate in the development of modern Hebrew literature As pointed out in 1996 s *New Women s Writing from Israel* to which this is a successor volume they could give vent to their poetic talents either in Yiddish their spoken language or in Russian but not in Hebrew While Yiddish writing did not insist on the national element as a required poetic norm Hebrew literature did The ideological dictum insisted on the symbiosis of the collective experience with the private of the myth of the nation with the myth of the individual Since women did not take part in public life or in the initial stages of the Hebrew revival which took place in Eastern Europe they could not respond to these poetic demands In the 1920s Hebrew prose was more open to autobiographical and confessional writing and women were able to contribute to this genre as they could incorporate the full range of their experience On the whole they were not provocative in their writing and cannot be defined as feminist writers They did not strive to differentiate themselves from male writing but rather to complement it It was only with the next generation of writers the New Wave writers of the 1960s and 1970s that women s prose writing found its niche The shift of marginal characters to the central stage in Israeli fiction as well as the departure from the male orientated national concerns opened the doors to an influx of women writers The change in the mainstream Israeli experience meant greater openness in literature and a pluralism of voices emerged incorporating those of women writers As a result they could at last abandon their traditional place in Hebrew literature and assume their rightful role in its development This poetic stance changed in the 1980s Although women writers did not overtly call for sexual equality they exposed erotic feelings and emotions which are exclusively feminine and which their predecessors were too inhibited to express Furthermore we hear for the first time the voices of women who express their experience of religious life Either from within Jewish orthodoxy or more often having left this world they offer us a glimpse into this hitherto unknown literary terrain Interestingly many still use the marvellous genre of the short story *Contemporary Israeli Women s Writing* reflects these dramatic changes [Dreaming the Actual](#)

Miriyam Glazer, 2012-02-01 This book introduces the powerful and provocative new fiction and poetry of Israel s women writers to an English speaking audience Read together the stories and poems in this book will help to create a more sophisticated understanding of Middle Eastern passions and realities and will foster a wealth of discussion about the meanings of homeland exile and diaspora women s sexuality and spirituality gender roles the legacy of the Holocaust the tensions and reconciliations of religion and secular life the effects of war and the power of memory In her introduction Miriyam Glazer vividly reconstructs the diversities tensions and complexity of current Israeli literature and the book reflects the multiculturalism of modern day Israel by including stories and poems originally written in Arabic Russian Hebrew and English Brief biographical and critical introductions are provided for each writer and the book features specially

commissioned and new translations of twenty stories and seventy five poems many available here for the first time in English

The Boom in Contemporary Israeli Fiction Alan L. Mintz,1997 Five essays explore facets of what Mintz calls the complexity of cultural reverberations in Israeli fiction of the past two decades **Art and the Artist in the Contemporary Israeli Novel** Joseph Lowin,2017 Art and the Artist in the Contemporary Israeli Novel presents studies of eight contemporary works of Israeli fiction by eight major Israeli novelists It deals with a society where drama lived in reality but also in the mind is a central moving force What this book shows is the ways these texts deal with the themes of creativity and the creation of a work of art and with the way art and artists are portrayed in a culture that is often perceived as being otherwise preoccupied The book involves close and painstaking readings of these novels and travels along a broad spectrum of themes It also shows how these texts engage in dialogue with texts of the Jewish tradition on the one hand and on the other hand with each other Two major points of the book are its emphasis on the work as literary art and the way the same themes often find their way into the varied works created by this literary generation The book notes two tendencies among Israeli writers that there is a great urge to tell their story and the story of Israel and that to make clear not only what is happening in these novels but also what is going on in their works of art the novelist take the leisurely route of literary emerging slowly but surely leading the reader to see how art emerges from the most prosaic of events Despite its easygoing tone the book still claims to be a serious book dealing with serious issues both ethical and metaphysical One of the cases this book endeavors to make is that one of the main goals of contemporary Israeli writers is to insert their works of art via a midrashic mode of writing in which previous texts are constantly being re written and being made modern as links in the great chain of the Jewish textual tradition These novels often refer back to biblical tales and to rabbinic ways of reading them But they also demonstrate how the writers themselves and their books and are also a part of that tradition Most of all however these writers are supremely aware that they are artists and that they have a particular responsibility to their art

Modern Hebrew Fiction Gershon Shaked,Yael Lotan,Emily Miller Budick,Jessica Cohen,2008-05-01 Gershon Shaked s history of modern Hebrew fiction traces the emergence and development of a literature against all odds from its European roots in the 1880s when it had neither a country nor a spoken language to the flowering of a literary culture on Israeli soil

The Socio-political Reality as Reflected in Contemporary Israeli Literature, 1992 *Since 1948* Nancy E. Berg, Naomi B. Sokoloff, 2020-10-01 2021 CHOICE Outstanding Academic Title Toward the end of the twentieth century an unprecedented surge of writing altered the Israeli literary scene in profound ways As fresh creative voices and multiple languages vied for recognition diversity replaced consensus Genres once accorded lower status such as the graphic novel and science fiction gained readership and positive critical notice These trends ushered in not only the discovery and recovery of literary works but also a major rethinking of literary history In *Since 1948* scholars consider how recent voices have succeeded older ones and reverberated in concert with them how linguistic and geographical boundaries have blurred how genres have shifted and how canon and competition have shaped Israeli culture Charting surprising trajectories of a vibrant challenging and dynamic literature the contributors analyze texts composed in Hebrew Yiddish and Arabic by Jews and non Jews and by Israelis abroad as well as writers in Israel What emerges is a portrait of Israeli literature as neither minor nor regional but rather as transnational multilingual and worthy of international attention **Beyond Sequence** Leon I. Yudkin, 1992 A collection of essays some of them published previously Ch 5 pp 63 73 Jews or Israelis Victims and Oppressors in David Grossman presented at the Remembering for the Future conference Oxford 1988 deals with the theme of the Holocaust in Grossman s novel *See Under Love* in which the Polish Jewish writer Bruno Schulz killed by the Nazis became a mythical character Ch 6 pp 75 93 Perspectives on the Holocaust discusses the same theme in Israeli literature e g Ka Tzetnik Yehoshua Sobol compared with the presence of the Holocaust in the works of American and European writers such as Saul Bellow William Styron Isaac Bashevis Singer Primo Levi and Elie Wiesel **The Jewish-Chinese Nexus** M. Avrum Ehrlich, 2008-06-26 This book is concerned with the areas where Jews and Chinese Judaism and Chinese religions and ideologies are converging or inter relate to each other It includes chapters on Confuciansim the Kaifeng Jewish Descendants business and Chinese Israeli relations **Drama and Ideology in Modern Israel** Glenda Abramson, 1998-09-10 A large number of political plays have been written in Israel over the past fifty years and they are perceived by audiences and critics alike as major interventions in the country s ongoing political debates the result is that Israeli drama is at the centre of many public controversies In this first full length study of Israeli political drama Glenda Abramson shows that during the early years of the State of Israel most of its intellectuals were identified with the official state interpretation of Zionism After the Six Day War in 1967 an influential group of playwrights concerned with the evolution of Zionist ideology in the modern nation state began to question the ethical basis of Zionism Hanokh Levin Yehoshua Sobol Yosef Mundi Miriam Kainy Amos Kenan and others have gone on to examine Zionism as it affects contemporary Israeli society **Multiculturalism in Israel** Adia Mendelson-Maoz, 2015-03-15 By analyzing its position within the struggles for recognition and reception of different national and ethnic cultural groups this book offers a bold new picture of Israeli literature Through comparative discussion of the literatures of Palestinian citizens of Israel of Mizrahim of migrants from the former Soviet Union and of

Ethiopian Israelis the author demonstrates an unexpected richness and diversity in the Israeli literary scene a reality very different from the monocultural image that Zionism aspired to create Drawing on a wide body of social and literary theory Mendelson Maoz compares and contrasts the literatures of the four communities she profiles In her discussion of the literature of the Palestinian citizens of Israel she presents the question of language and translation and she provides three case studies of particular authors and their reception Her study of Mizrahi literature adopts a chronological approach starting in the 1950s and proceeding toward contemporary Mizrahi writing while discussing questions of authenticity and self determination The discussion of Israeli literature written by immigrants from the former Soviet Union focuses both on authors who write Israeli literature in Russian and of Russian immigrants writing in Hebrew The final section of the book provides a valuable new discussion of the work of Ethiopian Israeli writers a group whose contributions have seldom been previously acknowledged The picture that emerges from this groundbreaking book replaces the traditional homogeneous historical narrative of Israeli literature with a diversity of voices a multiplicity of origins and a wide range of different perspectives In doing so it will provoke researchers in a wide range of cultural fields to look at the rich traditions that underlie it in new and fresh ways *A Check List of Israeli Literature, 1948-1988, in English* ,1988
