[The Way Life Should Be](#) Kathleen Meil, Ari Meil, 2005-06 A compilation of 17 contemporary stories by some of Maine's best established writers It includes stories that capture things from daily life in Maine to tales of flying babies **The Oxford Handbook of Modern Irish Fiction** Liam Harte, 2020-10-15 The Oxford Handbook of Modern Irish Fiction presents authoritative essays by thirty five leading scholars of Irish fiction They provide in depth assessments of the breadth and achievement of novelists and short story writers whose collective contribution to the evolution and modification of these unique art forms has been far out of proportion to Ireland's small size The volume brings a variety of critical perspectives to bear on the development of modern Irish fiction situating authors texts and genres in their social intellectual and literary historical contexts The Handbook's coverage encompasses an expansive range of topics including the recalcitrant atavisms of Irish Gothic fiction nineteenth century Irish women's fiction and its influence on emergent modernism and cultural nationalism the diverse modes of irony fabulism and social realism that characterize the fiction of the Irish Literary Revival the fearless aesthetic radicalism of James Joyce the jolting narratological experiments of Samuel Beckett Flann O'Brien and Mirt n Cadhain the fate of the realist and modernist traditions in the work of Elizabeth Bowen Frank O'Connor Se n O Faol in and Mary Lavin and in that of their ambivalent heirs Edna O'Brien John McGahern and John Banville the subversive treatment of sexuality and gender in Northern Irish women's fiction written during and after the Troubles the often neglected genres of Irish crime fiction science fiction and fiction for children the many hued novelistic responses to the experiences of famine revolution and emigration and the variety and vibrancy of post millennial fiction from both parts of Ireland Readably written and employing a wealth of original research The Oxford Handbook of Modern Irish Fiction illuminates a distinguished literary tradition that has altered the shape of world literature **Contemporary Fiction and Christianity** Andrew

Tate,2008 **Modern Essays and Stories** Various Authors,1912-01-01 In all schools pupils are expected to write essays but curiously enough essay reading and essay writing are taught but little In spite of that neglect the essay is so altogether natural and spontaneous in spirit so intensely personal in expression and so demanding of excellence of prose style that it is the form par excellence for consideration in school if teachers are to show pupils much concerning the art of writing well The essay is to prose what the lyric is to poetry complete genuine and beautiful self expression or better still self revelation Most of the writing done in schools is straightforward narration of events without much if any attempt to show personal reactions on those events mere diary like accounts at best mechanical descriptions that aim to present exterior appearance without attempting to reveal inner meanings or to show awakened emotions and stereotyped explanations and arguments drawn for the most part from books of reference or from slight observation Beyond all this mechanical work lies a field of throbbing personal life of joyous reactions on all the myriads of interests that lie close at hand of meditations on the wonders of plant and animal life of humorous or philosophic comments on human nature and of all manner of vague dreams and aspirations aroused by Such sights as youthful poets dream On summer eves by haunted stream Without the slightest question it is the duty of the school and of the teacher in particular to lead pupils to appreciate honesty and originality in unapplied unpragmatic self expression and to show pupils how they themselves may gain the very real pleasure of putting down on paper permanent records of their own intimate thinking Joseph Addison s The Sir Roger de Coverley Papers and Washington Irving s Sketch Book have for many years made valiant but unsuccessful efforts to fill the places that should be filled by more modern representatives of the essay Macaulay s Essay on Johnson is a biographical article for an encyclopedia his essays on Clive and on Hastings are polemics and Carlyle s Essay on Burns is a critical disquisition With the exception of The Sir Roger de Coverley Papers all these so called essays are of considerable length and are unfitted to serve as the best examples of the essay form for the essay like the lyric demands brevity it is after all only a quick flash of self revelation not a sustained effort Then again who would wish to learn to write like Addison like Washington Irving like Macaulay or like Carlyle Those great writers couched their thoughts in the language fashions of their days just as they clothed their bodies in the garments of their times To imitate either their style of expression or their costumes would be to make one s self ridiculous or to take part in a species of masquerade The extremely Latinized vocabulary of 1711 or the resonant periods and marked antitheses of 1850 are as old fashioned to day as are the once highly respected periwigs great coats and silver shoe buckles of the past The thoughts of yesterday are not the thoughts of to day There is in serious reality such a thing as an old fashioned point of view With all due reverence for the past the best teachers of to day believe that it is just as necessary for students to use present day methods of expression and to cultivate present day interests as it is to take advantage of the railroad the telegraph the telephone the automobile and the thousand other mechanical contrivances that aid life to day but which were unknown in 1711 or in 1850 **A Survey of Dialect Forms in Contemporary Maine Fiction** Charlotte Pressey Littlefield,1969 **A**

Lind,2020-04-14 Drawing on insights from literary theory and analytical philosophy this book analyzes the intersection of law and literature from the distinct and unique perspective of fictional discourse Pursuing an empirical approach and using examples that range from Victorian literature to the current judicial treatment of rap music the volume challenges the prevailing fact fiction dichotomy in legal theory and practice by providing a better understanding of the peculiarities of legal fictionality while also contributing further material to fictional theory s endeavor to find a transdisciplinary valid criterion for a definition of fictional discourse Following the basic presumptions of the early law as literature movement past approaches have mainly focused on textuality and narrativity as the common denominators of law and literature and have largely ignored the topic of fictionality This volume provides a much needed analysis of this gap The book will be of interest to scholars of legal theory jurisprudence and legal writing along with literature scholars and students of literature and the humanities *Modern Essays for Schools* Christopher Morley,1921 **A Healing Touch** Richard Russo,2008-04-25 Pulitzer Prize winning writer Richard Russo and five other Maine authors here prove that the close of life need not be filled with darkness when hospice help is at hand These writers recount intensely personal and profoundly moving end of life accounts that cover a wide spectrum of human experience All six authors are donating their royalties to a Maine hospice Down East will also donate 10 percent of proceeds to the same cause *Down East* ,2008 The Oxford Handbook of Virginia Woolf Anne E.
