

# Who Uses Managed Care Contracts?

## Insurance companies

use managed care contracts to create defined networks of providers that offer services at negotiated rates.

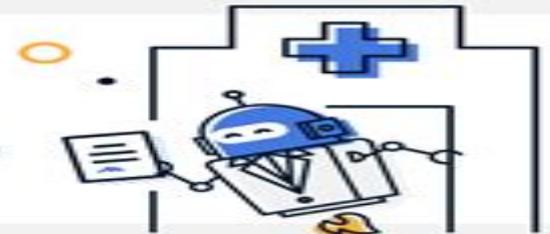

## Employers

use managed care contracts with health insurance providers to cover the costs of their employee's health care needs.

## Providers,

such as physicians and hospitals, benefit from managed care contracts as they provide stability in reimbursement rates and payment models, reducing the risk of running a practice or hospital.

## Vendors

like pharmacies, medical supply stores, and laboratories may also be included in managed care contracts.

## Patients

can also benefit from managed care contracts as they help ensure access to quality health care while controlling costs.
