Contemporary Jewish Writing in Brazil Nelson Vieira, 2009 Contemporary Jewish Writing in

Brazil showcases a diverse range of modern Jewish writers from one of South America's most vibrant multicultural communities. Brazil's population is largely Catholic; its Jewish population today numbers about 120,000, mostly upwardly mobile Jews living in Rio de Janeiro, São Paulo, and Porto Alegre. Brazilian Jewish writers often use the testimonial and fantastic modes of Latin American literature to expose anti-Semitism, explore the challenges and opportunities for the Jewish diaspora in South America, and reexamine historical and cultural connections to the Old World. This anthology features the work of such internationally recognized figures as Moacyr Scliar and Clarice Lispector, including two early stories by Lispector that have never before appeared in English translation. Of special note are Samuel Rawet, the father of modern Jewish writing in Brazil; Alberto Dines, a prominent public and literary figure in the 1970s and 1980s; and more recently acclaimed writers such as Cntia Moscovich.

After the Tradition Robert Alter, 1969

Contemporary Jewish Writing in Sweden Peter Stenberg, 2004-01-01

This book brings together for the first time the works of Jewish authors writing in Swedish who describe the special circumstances confronting Jews in the twentieth century in Sweden and Scandinavia. During the Second World War, Sweden's small, long-established and well-assimilated Jewish community was never subject to the open and ultimately fatal ethnic identification that most European Jews suffered. Older and middle-aged Swedish-born Jewish authors tend to think of themselves only as Swedes. Within the last few decades, however, Sweden has become an immigrant country, and a younger generation writes from a different perspective. Twenty of the twenty-two authors represented in this anthology are still very active, and many of the pieces were written in the last fifteen years. Each work chosen illustrates some aspect of Jewish identity in Sweden, either today or in the course of a century in which Sweden played a crucial, controversially neutral role in a war that had a catastrophic impact on Europe and led to the near annihilation of the European Jews. This volume provides the complex historical framework in which these events occurred and elucidates the role played by the largest Scandinavian country within it.

Contemporary Jewish Writing in Sweden brings together superb work by major writers in one of Europe's foremost national literatures and includes the first English translation of an excerpt from Peter Weiss's recently discovered 1957 Swedish novel.

In Lieu of Memory Thomas Nolden, 2006-01-23

This book provides a wide-ranging analysis of French Jewish authors born after the Shoah and traces the development of the rich agenda of *jeune littérature juive* (young Jewish writing) from its beginnings in the late 1970s into the 1980s and 1990s, when it gained intense momentum. Thomas Nolden uses a wealth of biographical information to expound on his central thesis: the abrupt interruption of transmission of the Jewish heritage by assimilation, migration, and near extermination required these writers to reinvent themselves, their past, and their memories as Jews. Nolden provides concise readings of the fiction of more than two dozen writers of both Sephardic and Ashkenazi background living in present-day France. He demonstrates how contemporary Jewish writing has responded historically, culturally, politically, and aesthetically to developments in French society and in Jewish culture. His critical analysis of the major themes, concerns, and stylistic features of the authors' work connects Jewish writing

in France to the traditions of Jewish writing both during the Diaspora and in Israel *Contemporary Jewish Writing in Austria* Dagmar C. G. Lorenz, 1999-01-01 Devoted to collecting the finest Jewish writing from around the world the Jewish Writing in the Contemporary World series consists of anthologies by country that are designed to present to the English speaking world authors and works deserving international consideration As a series the books permit a broad examination of the international crosscurrents in Jewish thought and culture Contemporary Jewish Writing in Austria presents a gathering of writers from several generations who have published a remarkable range of works in recent decades The result is a diverse portrait of Jewish experience in Austria since the Second World War Dagmar C G Lorenz has assembled an extraordinary roster of literary talents ranging from authors born in the early decades of this century to writers born after the Shoah The volume maps a complex tradition of Jewish discourse marked by a profound awareness of the literary past by the failure of a long anticipated Austrian Jewish symbiosis and by the unparalleled tragedy of the Shoah It is a modern tradition that has made an essential contribution to Austria s literary history while remaining in Lorenz s words distinct and unassimilated

All of Our Lives Sarah Shapiro, 2009 *Contemporary Jewish Writing* Andrea Reiter, 2013-11-12 This book examines Jewish writers and intellectuals in Austria analyzing filmic and electronic media alongside more traditional publication formats over the last 25 years Beginning with the Waldheim affair and the rhetorical response by the three most prominent members of the survivor generation Leon Zelman Simon Wiesenthal and Bruno Kreisky author Andrea Reiter sets a complicated standard for who is Jewish and what constitutes a Jewish response She reformulates the concepts of religious and secular Jewish cultural expression cutting across gender and Holocaust studies The work proceeds to questions of enacting or performing identity especially Jewish identity in the Austrian setting looking at how these Jewish writers and filmmakers in Austria perform their Jewishness not only in their public appearances and engagements but also in their works By engaging with novels poems and films this volume challenges the dominant claim that Jewish culture in Central Europe is almost exclusively borne by non Jews and consumed by non Jewish audiences establishing a new counter discourse against resurging anti-Semitism in the media **Contemporary Jewish Writing in Switzerland** Rafa! Francis David Amadeus Newman, 2002-01-01 This anthology features an eclectic mix of eighteen modern works by a selection of Switzerland s

heterogeneous community of Jewish writers Questions about Jewish identity and the legacy of the Holocaust remain current and controversial in Switzerland because of the country s now well publicized economic involvement with Hitler s Germany and the scandal that erupted when the purported Holocaust memoir of Binjamin Wilkomirski was revealed to be a hoax This collection includes an excerpt from a novel by Daniel Ganzfried the journalist who exposed the Wilkomirski Affair two chilling counterfactual accounts of a Nazi occupied Switzerland by television scriptwriter Charles Lewinsky an epistolary satire of contemporary Swiss and Jewish life by Sergue Hazanov a Russian Jewish immigrant lyrical evocations of exile by Gabriele Markus a memoir by renowned theatre director Luc Bondy strikingly harsh portraits of contemporary European life from

painter and performance artist Miriam Cahn and a screenplay about the Holocaust and Jewish refugees in Switzerland by Swiss filmmaker Stina Werenfels Surprising in its diversity and sometimes disturbing in its preoccupations this anthology will make it hard to generalize about Jewish life in Switzerland or to think in polarities such as Switzerland and the Jews

Contemporary Jewish Writing in Europe Vivian Liska, Thomas Nolden, 2007-12-05 With contributions from a dozen American and European scholars this volume presents an overview of Jewish writing in post World War II Europe Striking a balance between close readings of individual texts and general surveys of larger movements and underlying themes the essays portray Jewish authors across Europe as writers and intellectuals of multiple affiliations and hybrid identities Aimed at a general readership and guided by the idea of constructing bridges across national cultures this book maps for English speaking readers the productivity and diversity of Jewish writers and writing that has marked a revitalization of Jewish culture in France Germany Austria Italy Great Britain the Netherlands Hungary Poland and Russia
