Context North America Canadian U S Literary Relations:

Context North America Camille La Bossière,1994-01-01 Context North America is a comparative study of Canadian and American literary relations It emphasizes the cultural and institutional contexts in which Canadian literature is taught and read This volume examines how the literatures of Canada might aptly be studied and contextualized in the days of heightened discontinuity and increasingly ambiguous borderlines both between and within the many narratives that make up North America Published in English

National Identity and the Conflict at Oka Amelia Kalant,2004-06 Through readings of literature canonical history texts studies of museum displays and media analysis this work explores the historical formation of myths of Canadian national identity and then how these myths were challenged and affirmed during the 1990 standoff at Oka It draws upon history literary criticism anthropology studies in nationalism and ethnicity and post colonial theory

The Cambridge Companion to Canadian Literature Eva-Marie Kröller,2004-02-05 This book offers a comprehensive and lively introduction to major writers genres and topics in Canadian literature Addressing traditional assumptions and current issues contributors pay attention to the social political and economic developments that have informed literary events Broad surveys of fiction drama and poetry are complemented by chapters on Aboriginal writing autobiography literary criticism writing by women and the emergence of urban writing in a country historically defined by its regions Also discussed are genres that have a special place in Canadian literature such as nature writing exploration and travel writing and short fiction Although the emphasis is on literature in English a substantial chapter on francophone writing is included

Post-Colonial Literatures Deborah L. Madsen,1999-06-20 The postcolonial literary canon remains comprised of privileged national and regional texts The English language literatures of Africa India Canada Australia New Zealand Southeast Asia and the Caribbean clearly emerged from an earlier model of Commonwealth literature Post Colonial Literatures examines the development of this body of writing and is the first such study to expand the paradigm to accommodate the literatures of the colonised peoples of North America The authors engage with the major debates within existing postcolonial studies addressing issues such as hybridity subaltern voices decolonisation multiculturalism and border cultures Subjects covered include Fred D Aguiar Merle Collins and Toni Morrison Native Canadian writing and US Canadian literary relations writings of the Australian Aboriginals women writers in Zimbabwe and the relationship between black and Hispanic discourses of America

Cultural Circulation Waldemar Zacharasiewicz,Christoph Irmscher,2013 The present volume is based on an international colloquium convened in 2010 to which scholars from North America and Europe contributed papers dealing with the historical cultural and literary connections between Canada and the American South The essays on this broad but under researched topic are arranged in four sections reflecting the multiple ties and the cultural circulation between the two large North American regions They illuminate demographic facts and developments and their literary representations such as the enforced displacement of the

18th century Acadiens who later reassembled in Louisiana Cajun culture and the flight of thousands of fugitive African American slaves to the safe haven of Canada Special attention is focused on the intertextual links between Southern writers and their Canadian counterparts with William Faulkner and Eudora Welty especially providing inspiration for Canadian authors such as Alice Munro Jack Hodgins and Margaret Atwood

A History of Canadian Culture Jonathan Franklin William Vance, 2009 From Dorset sculpture to the Barenaked Ladies award winning historian Jonathan F Vance reveals a storyteller's ear for narrative In a country this diverse culture has different meanings Vance tells a story from the wind swept Arctic where a stranded Innu woman fighting to survive took the time to decorate her clothing with rich designs A British explorer was amazed at her efforts but Vance reminds us of the inseparable connection between life and art in Inuit culture the Innu word for breathe also means to make poetry and both derive from the word for the soul No surprise that Aboriginal culture began to change irrevocably with the arrival of more Europeans who brought their own ideas about culture But that is another tale in Vance's fascinating History Vance considers a range of key topics Where for example is the divide between culture and mass entertainment He also considers how the hot button issues of Canadian culture government funding for the arts the cultural brain drain the drive to preserve distinctly Canadian forms of expression concerns over copyright protection the economic impact of cultural industries can be traced back to previous centuries And he shines new light on other key areas such as the unique culture of Quebec and the CBC R sum de l ditteur
