John Bunyan

Continuing In The Faith:

Continuing in the Faith John Owen, John Owen's *Continuing in the Faith* is a masterful defense of the perseverance of the saints the enduring work of God in those who truly believe Drawing on Scripture's deepest wells Owen unfolds five central arguments grounded in the unchanging nature of God His eternal purposes the covenant of grace His promises and the mediation of Christ He answers objections with clarity and theological precision showing how this doctrine strengthens both the obedience and consolation of believers Rich in biblical insight and pastoral depth this volume remains a cornerstone of Reformed theology and a source of enduring comfort to the faithful

Life in the Son Robert Shank, 2024-06-18 A deep study on the doctrine of eternal security Does one moment of faith secure a person's eternal destiny with God even if that person later stops following and trusting in Jesus Or does a person have to keep on trusting and following Jesus to remain in a saving relationship with God Now expanded with new chapters and research this landmark book continues to offer one of the most penetrating studies on the controversial doctrine of eternal security perseverance and apostasy in the New Testament Calling into question the popular once saved always saved belief internationally respected pastor and scholar Dr Robert Shank reveals that the question we should be asking is not Is the believer secure but rather What does it mean to be a believer Straightforward thorough and grounded in biblical understanding this book warns Christians about dangers that could potentially lead a believer to become an unbeliever falling away from faith and share in the unbeliever's eternal condemnation

Many are called - Can a Christian lose their salvation and be lost? Heino Weidmann, 2025-10-08 Can a Christian be lost even after conversion baptism and a life of faith This question touches the very heart of the Christian faith and remains one of the most debated issues among Bible believing Christians This book explores whether true followers of Jesus can lose their salvation not on the basis of theological systems but by examining all 545 salvation relevant passages of the New Testament representing about 35 % of its total text The study is unique in the history of theology every verse has been identified systematically categorized and carefully interpreted in its original context The result is a comprehensive and clearly structured synthesis from God's gracious call to the conditions of genuine discipleship from assurance and preservation to the possibility of falling away Following the structure of the 7 Level Pyramid presented on *vielesindberufen* de this volume Level 6 offers a clear main thesis intermediate summaries and in depth textual analysis ideal for serious theological readers Bible students small groups or personal study To the best of our knowledge this work ranks among the three most extensive investigations on this subject in the entire history of the Church and may well be the most comprehensive ever written Its methodological breadth and analytical precision make it a pioneering contribution combining systematic clarity exegetical depth and spiritual discernment in a way previously unseen in theological research *Many Are Called* is both a wake up call to vigilance and a source of deep encouragement for those who truly follow Jesus It invites readers to renewed devotion to a faith that endures and to a life rooted in the unshakable truth of God's Word For all who

desire to remain faithful to the end sustained by God's grace strengthened by His Spirit and guided by His Word **Know Your Spiritual Gifts** Mark Stibbe,2000 Here is a new edition of this important book from one of the most influential charismatic churches in the UK Many Christians hunger for the gifts of the Holy Spirit described in the new Testament but don't know how to discern their validity or fully use their potential In this book Mark Stibbe examines the biblical presentation of these gifts and applies it for Christians to use in all areas of their life and service today He helps us discern true authenticity in the realm of spiritual power and exercise the responsibility which accompanies the Spirit's gifting Most importantly he helps us to become more faithful and fruitful disciples of Christ One Touch from the King Changes Everything Mark Stibbe,2010-09-01 Sometimes something happens in your Christian life and it changes your world forever sociologists call it a paradigm shift Such a change happened to Mark Stibbe and this book is the result One Touch from the King is about how God can radically transform our lives with one simple touch One moment of divine contact can bring an invasion of heaven into our world that means we can never be the same again Filled with Mark Stibbe's trademark combination of sound biblical teaching and hands on practical experience this book will encourage you to a new level of faith Christian Faith and Life ,1926 Colossians Phillip D. Jensen,Tony Payne,2000 Teach me your way O LORD and I will walk in your truth Psalm 86 11a To know God better is the heart's cry of a growing faith and to understand His Word is to know Him The FaithWalk Bible Studies are designed to help you get a grip on and be gripped by the message of God's Word Each study asks probing questions of the Scriptures and with commentary on the history and culture of the times helps you work through difficult passages without giving away all the answers The FaithWalk series captures the wonder of the Bible and leaves you in awe of Almighty God Paul's short letter to the Colossians offers a simple but marvelous answer to a question that has bothered many believers What does it take to be a true Christian Have I done everything I need to do to be a Christian And whether you just want to be sure that you're on the right path or are confused by the range of the world's alternatives this study can help you discover the joy and assurance of continuing in Christ The Presents of God Mark Stibbe,2014-09-05 In his new book Mark Stibbe reminds us that we have a loving generous Father who delights to give his children gifts especially the gifts of the Holy Spirit Mark describes each of the spiritual gifts mentioned in the New Testament and provides tools for the reader to identify which gifts they have He also urges the contemporary church not to dial down on the spiritual gifts but to create a culture where all the gifts are eagerly welcomed and responsibly stewarded This book is a vital rallying cry for a return to genuine charismatic Christianity at a time when so many Christians and indeed churches have lost their passion for the presence of God and for the supernatural evidences of God's presence in worship and mission Theological quarterly ,1901 An Exposition of the Thirty-nine Articles Edward Harold Browne,1887 **The Student's Milton: Being the Complete Poems of John Milton** John Milton,1930 An Exposition of the Thirty-nine Articles, Historical and Doctrinal ...
