Contract With A Killer:

I Hired a Contract Killer Aki Kaurismäki, 1990 *Contract Killer* William Hoffman, William S. Hoffman, Lake Headly, 1994
He knows where Jimmy Hoffa is buried and who killed him but that's not all Now Donald Tony the Greek Frankos a loan shark and hit man for the mob breaks his 30 year oath of silence to tell all As featured on Entertainment Tonight and Good Morning America 8 pages of photos **Female Serial Killers** Peter Vronsky, 2007-08-07 In this fascinating book Peter Vronsky exposes and investigates the phenomenon of women who kill and the political economic social and sexual implications buried with each victim How many of us are even remotely prepared to imagine our mothers daughters sisters or grandmothers as fiendish killers For centuries we have been conditioned to think of serial murderers and psychopathic predators as men with women registering low on our paranoia radar Perhaps that's why so many trusting husbands lovers family friends and children have fallen prey to the female monster From history's earliest recorded cases of homicidal females to Irma Grese the Nazi Beast of Belsen from Britain's notorious child slayer Myra Hindley to Honeymoon Killer Martha Beck to the sensational cult of Aileen Wournos the first female serial killer as celebrity to cult killers homicidal missionaries and our pop culture fascination with the sexy femme fatale Vronsky not only challenges our ordinary standards of good and evil but also defies our basic accepted perceptions of gender role and identity INCLUDES PHOTOGRAPHS

Organized Crime Frank Shanty, Patit Paban Mishra, 2007-09-24 This fascinating work is a two volume guide to the shadow world the critical issues and the global reach of organized crime Despite its impact on international security and the world economy organized crime is an unusual topic for a reference book Difficult to research the high profit high risk subculture of drug lords diamond smugglers and sex slavers is rarely investigated by scholars Organized Crime An International Encyclopedia ventures behind the scenes into this hazardous territory In the first volume expert contributors offer a global perspective on issues such as weapons and arms trafficking high tech and cyber crimes the future of organized crime and the connection between organized crime and armed conflicts The second volume consists entirely of primary documents national and international laws and treaties that reflect the international community's many attempts largely ineffective to combat organized crime Together the two volumes provide students and general readers with a road map to a shadow world with far reaching impact on the world we know *Blood Money: The Method and Madness of Assassins* RJ Parker, Ph.D., 2017-06-25 From the old days of mobsters in smoky barrooms plotting to gun down their rivals to the new age of ordinary people hiring contract killers through the Dark Web this book depicts the history of assassins and how they work While movies portray assassins as glamorous wealthy and full of mystery the sober truth is often quite different The number of homicides credited to contract killers each year is staggering and on the rise business people killing their rivals organized gang war kills honor killings and even cold blooded kills between spouses In *Blood Money The Method and Madness of Assassins* RJ Parker documents over a dozen infamous cases of professional assassins including Richard Kuklinski The Ice
