The Chronicles of Sekhmet on Olmecra Z. P. Foy, 2017-11-11 Goddess Sekhmet is a Legendary Lioness Woman tasked with raising the vibrational energies of humans on a specific part of the Earth Without the elevation in vibrations Earth will not be able to ascend with the other planets in the galaxy She is Super Woman rolled up into Mother Nature The Matriarchy of the Kemetic Pantheon and Cosmic Goddesses are the protagonist of the book displaying their best nurturing attributes The story is being told from a divine feminine perspective in a way Goddess Sekhmet is not traditionally typified For those who study the Ancient Egyptians and or Kemet metaphors will develop into myth And for those who are new to the subject matter the interaction of the immortals with humans will encourage readers to seek what is seeking them This novella is unique in that few stories are dedicated to the African Cosmic Pantheon as compared to books popularized by Greek and Roman mythology Book One is written as the first of a series of seven novellas that chronicle how the Goddess Sekhmet gets Earth to ascend The stories may seem controversial to some but are non confrontational The main antagonist is Systematic Internal Societal Illness SISI And the story line is never meant to accuse anyone or any group of people What is emphasized is the misuse of spirituality and the decline of the human condition Overall the concept of Personal Agency is encouraged so the reader expands their thoughts on their individual journey and how their purpose fits in the Universe
